

## **Acknowledgment of the First Environments Parent Handbook**

The First Environments Parent Handbook is located on the First Environments (FEELC) website.

The FEELC website address is <http://www.firstenvironments.org/>

I understand that the updated Parent Handbook replaces any and all prior handbooks, policies, and practices of First Environments. I understand that the policies and procedures contained in the Parent Handbook may be added to, deleted, or changed by First Environments Administration with the approval of the Parent Board President at any time.

I also understand that this Parent Handbook has within it policies about health safety for illness, medication and medical forms, food and allergy, annual update of children records and immunization records, behavior management, tuition payments and required fees, school closures, campus security and safety, and withdrawal from FEELC.

If I have questions regarding the content or interpretation of the FEELC parent handbook, I will bring them to the attention of the Executive Director.
