10 AND UNDER TENNIS

JUNIOR DEVELOPMENT PATHWAY

Kids have more fun and want to play more often with “10 & under tennis”. Smaller courts, shorter racquets and balls that bounce lower and slower allow kids to develop their skills and a love for the game!

Red Ball – Ages 5 to 8

Building the fundamentals of a great little player, players will learn hand-eye coordination, how to send, receive and track the ball, basic strokes and tennis terminology.

Court size: 36’

Orange Ball – Ages 9 to 10

This level is designed to continue and build from the red ball level, creating a solid tennis foundation. Players will begin to form an all court game focusing on technique, balance, agility and tactical awareness.

Court size: 60’

Green Ball – Ages 11 to 12

The final step before yellow ball, players will begin to master their skills. Stroke development, spins and tactics will be the main focus to ready players for their transition to yellow ball.

We have two-day junior clinic packages available. Please ask for more details

Court size: 78’

Tournament Training Center

Specifically designed for the serious junior tennis players, our TTC encompasses all aspects of the game, placing emphasis on dedication, desire, discipline and teamwork.
