

CAPABILITIES STATEMENT

EBS Ink-Jet Systems USA, Inc. is an industrial ink-jet company that engineers, develops, manufactures and supplies leading edge industrial ink-jet solutions for worry-free, non-contact coding. Products include large-character and small-character ink-jet printers and unique hand-held printers that replace traditional stenciling and other manual marking methods. EBS is classified as a small business and is ISO 9001:2008 certified.

EBS-250 AND EBS-260 HAND-HELD INK-JET PRINTERS ARE PORTABLE, WIRELESS AND USED IN THE FIELD TO:

- **REPLACE STENCILS**
- **MARK CRATES**
- **MARK BARRELS**
- **MARK 55 GALLON DRUMS**

- **MOVE PRODUCTS**
- **MOVE PERSONNEL**
- **MOVE HOUSING**
