Dear Customer:

Would you like to **save time & money**? You can by enrolling in one of two payment plans offered by Twin Valley.

Option One- Automatic Bank Collection (ABC)*- ABC allows you to pay your monthly Telephone, Long Distance, Internet, and Digital TV bills automatically by charging them to your checking account at no additional cost to you. With ABC, you save time and money by not having to write checks and pay for postage. No need to worry about paying your bill while out-of-town, nor risk lost mail or late payments. In addition, ADSL Internet customers can receive up to a $1.00 monthly discount. Customers that have ABC and ADSL Internet will receive the $1.00 credit on the very next bill after they've been set up.

Option Two – Automatic Credit Card Payment*-This plan allows you to pay your monthly bill by automatically charging the amount to your credit or debit card. There is no extra charge to you for this service.

**Please note that payments are debited from the account 5 days after your billing date for either option. Please notify your bank to make them aware of the debit that will occur from Twin Valley. Choose the plan that suits you best and save. For complete information on these plans, please call our Customer Service Department at (800) 515-3311.

Sincerely,

Your Twin Valley Customer Service Team
