Box Tops Contest

Send in your box tops to the school office today! Put them in a baggie with each of your children's grades on the baggie! They will all get credit for the box tops. The winning class gets to choose from pizza, popcorn, ice cream, or a jeans day. They also get to help decide what to spend our box tops money on for ABVM! AND the winning classroom teacher gets \$100 for their classroom!

Million Words Club

To date we have 9 members. Congratulations to our newest member, Jack Vande Gutche! Keep reading!!!

ABVM Math Club Begins This Week Thursday

The ABVM Math Club is a math enrichment opportunity for all Kindergarten through fifth grade students. Funded by a grant from the Rockford Education Foundation, students gather to play a series of Math Pentathlon Games. Games are designed to be played by students at varying ages, multiple skill levels, and with varying degrees of strategy. Snacks will be provided to all students attending. Children may join us for as many meetings as they would like. Please do not worry if your child cannot make every date scheduled. Each gathering is an opportunity to learn a new game or develop new

strategies to previously learned games. Parents are welcome to join us for any or all of our meetings!

When and Where: Math Club will meet from 3:20-4:15 pm in the Science Lab on approximately every other Thursday from October to March.

Dates: October 5, 19 January 11, 25
November 2 February 8, 22
December 7 March 8, 22

If you have any questions, please contact Annette Rybicki (6thgrade@abvmschool1.org) or Kate Thull (1stgrade@abvmschool1.org).

Middle School Volunteers: If you are in middle school, you are an important part of the ABVM Math Club! Middle school students can volunteer as coaches at each of the grade levels. We value the expertise and the assistance you are able to share with the players just learning the new games!

Mission Statement

Inspired by the Blessed Virgin Mary's devotion to our Lord, Assumption Catholic School is dedicated to nurturing a joyful community of faith among students, parents, and faculty. Together our goal is to guide our students to eternal life with God as we teach, inspire, and promote the Good News of Jesus Christ within a rigorous academic environment. Our commitment is to living a virtuous life through worship, service, community, and academic excellence.
