WHAT DOES YOUR ZODIAC SIGN SAY ABOUT YOUR SPENDING?

Currently, discipline may not seem like an important practice, but if you make it a part of your daily routine it will be one of your greatest attributes in the long run. This year is pushing you towards a more minimalistic lifestyle- detoxes and cleanses are highly suggested. Write yourself out a new fresh set of goals with a vision board to energize this new found mindset!

LEO

LEO

WHAT DOES YOUR ZODIAC SIGN SAY ABOUT YOUR SPENDING?

The majestic lion loves to indulge in the glamorous life, but 2016 has a twist of sophistication that will lead to less admiration for chandeliers and more appreciation for your own inner spark. Remember that acting conservative with your spending is not a negative, your future pockets will be thanking you! Utilize that extra splurge time towards a business idea that's been taking the back seat and make the necessary steps towards your goals!

Free yourself from the stresses and deadweight of 2015, and calm the inner chatter by grounding yourself in the present and listening to your intuition. This year is a great time to do some soul searching, take a break from social media and replace it with something more calming and meditative. You can't declutter your life if you're always holding your iPhone!
