Thank you for supporting the Savannah Golf Classic. Here is a personal letter on the background of why the event was started and how your donation will be used:

On the night of May 7, 2013, Tatiana and I gave our beautiful and perfectly healthy 3 ½ month old little girl kisses good night and put her to bed. We had no idea that would be the last night we would get to be with Savannah. On the morning of May 8<sup>th</sup>, we walked into her room and found she had quietly passed away in the middle of the night without cause. It was beyond belief. The coroner's office would go on to complete an autopsy and multiple tests, and after waiting weeks for an answer, we were finally told they could not find a reason for her death. She didn't choke, there wasn't poison in her system, she didn't suffocate, there was no hole in her heart; she simply stopped living at some point in the early morning. It was SIDS, Sudden Infant Death Syndrome, which basically meant they had no idea what caused her to stop living. Overnight she was gone, but all of our dreams and love for Savannah were still there. **We had this well of love stored up for Savannah, but she was no longer here to pour that love onto.**

**Through our grief, we became convinced that God wanted us to take that love we had for Savannah and redirect it.**

Genesis Diez is a non-profit organization that we have served alongside for almost a decade. Greg and his small team have dedicated their life to helping disadvantaged children. A portion of the Savannah Classic donation goes directly to help Greg start and grow Puerta Hermosa Orphanage, which is for medically fragile and dying children in Baja, Mexico. These are kids that have literally been left to die, with **no one there to love and support them**. Their stories will break your heart. **They are still alive yet they are in desperate need of love and support.**

Our prayer and ask is that you would take any love you might have for Savannah (or someone you love who was taken from you too soon) and put it towards these kids. Great people are there day in and day out taking care of disadvantaged kids and loving them; our donations help provide the food, water, medicine and resources they need to do that. We will be going to the Puerta Hermosa orphanage multiple times throughout the year and would love to have you come spend time with the kids and show them they are loved.

On the following page you will see opportunities of how you can help keep Savannah's memory alive and make a difference in kids that are truly in need.

It means the world to Tatiana and me that you would consider comforting us in this way. I promise you will not regret the investment in these kids' lives.

Love,

*Jonathon & Tatiana Vopinek*
