

Project ID	Group	Summary of successful applications for round one Community Benefit July 2017	Sum
2017/1	Tarbert Castle Trust	Proposal to carry out path repairs and upgrades of 130m of existing routes.	£750
2017/2	Tarbert Guides	A trip to London to enhance cultural understanding, grow confidence and equip guides to better understand city dynamics.	£1000
2017/3	Feis AnTairbert	Support for the logistics of conducting a main Feis day and weekend of music workshops which offers musicians of all ages an opportunity to gather and perform traditional music and drama.	£1500
2017/4	Ring Net Trust	Research design and manufacture of 3 display panels to support the mission of the #Ring Net Heritage Trust locally and when attending events further afield.	£500
2017/5	Tarbert Toppers	Funding is required for training dinghies to ensure safety of and better suit the needs of the younger age groups using the club.	£1500
2017/6	Tarbert Village Hall	A fence upgrade is required to conform to Scottish Care Inspectorate standards due to the changing needs of the Village Hall. The existing fence has been declared not fit for purpose following heavy storms in winter 2015/2016.	£1250
2017/7	Healing Garden	Resources and preparation for two weekend and one evening workshop on the topic of worm composting aimed at increasing local knowledge in food management.	£220
2017/8	Argyll Pony Club	An automatic timing device for show jumping which meets standard requirement of British Show Jumping and Eventing.	£250
2017/9	Tarbert After School Club	This project aims to build a 'dream garden' at the village hall annex which is the primary location for Tarbert After School Care and can be accessed and booked privately. The garden has been designed by the children and consists of an obstacle course, mud kitchen, construction play area and tyre planters.	£500
2017/10	Tarbert & Skipness Community Trust	This application relates to securing a freelance worker to provide administrative and development support to Tarbert and Skipness Community Trust.	£6625
2017/11	Tarbert Bowling Club	The club requested a contribution to cladding an outdoor storage facility. The club had raised funds and built the storage facility but requires more funding to finish the external cladding.	£500
2017/13	Dookers Dash	Supporting event costs, insurance, logistics and marketing of The Dookers Dash. The Dookers Dash is a fun run which aims to encourage children of a young age to recognise the benefits of active lifestyle. It runs alongside adult events, thus introducing young people to the 5k and 10k events to increase awareness of future possibilities in running as a lifestyle choice.	£785
2017/14	Tarbert Golf Club	Upgrading current ladies and junior tee areas so the club can continue to work inclusively and increase engagement and enjoyment of younger and female participants.	£500
2017/15	Tarbert Festivals	A contribution towards general costs including insurance and marketing of Tarbert Festivals (including Scottish Series, Tarbert Seafood Festival, Tarbert Traditional Boat Festival, Tarbert Fair, Tarbert Music Festival).	£500
2017/16	Tarbert Soccer Centre	The Soccer Bridges project aims to propel the positive effect of Tarbert Soccer Centre specifically for the purpose of community building locally and with neighbouring rural areas. The project aims to increase youth soccer provision simultaneously creating enhanced opportunities for volunteering and community engagement through soccer exchanges and competitions within and out with traditional local reach of the centre	£1050
2017/17	Tarbert Parent Council	This project aims to offer a start point for further study and development of the coastal environment as a focused topic, specifically looking at issues of environmental protection and sustainable development. By formally engaging with the established training programme offered by the well renowned charity Wild Things, appropriate knowledge may be brought back into the community as first steps towards Coastal Classroom development in Tarbert and Skipness	£625
