

PHYSEE Vacancy | Fulltime Financial Controller

Introduction

At PHYSEE, we have a thorough believe in sustainable innovation without compromise. Innovation which brings added value for our customers, without compromising on aesthetics, technology, or costs. Holding on to this belief has led us to designing and producing the world's first fully transparent, electricity and data generating windows. The market has acknowledged these efforts, making us one of the 30 most promising tech pioneers worldwide according to the World Economic Forum.

As we are a rapidly growing organization, building the fundamental foundation of our company is essential in this phase and we are looking to strengthen our finance team with expertise and knowhow. We need someone who finished his/her Masters with a strong focus on economics/finance, and affinity for technology driven scale-ups. Who is ready to setup and execute our financial backbone, starting with accounting & bookkeeping, and going forward with reporting & modelling financial projections.
