

We are looking for a Chief Financial Officer who will build our finance department with expertise, knowhow and diligence.

Full time – Delft
as of May 1st (or as soon as possible)

PHYSEE

At PHYSEE we have a thorough belief in sustainable innovation without compromise. Innovation which brings added value for our customers, without compromising on aesthetics, technology or costs. Holding on to this belief has led us to design and produce the world's first fully transparent, energy and data generating windows: PowerWindow and SmartWindow.

Since we focus on building a better future we are determined to expand our young and ambitious team with new people who would like be part of the next phase of growth of PHYSEE.

The job

As we are a rapidly growing organization, building a solid organizational structure of our company is essential. After raising our Pre-Series A, we are looking for someone to build our finance department and assume a strategic role in the overall management of the company. The new CFO will lead the finance department of PHYSEE and develop a sound reporting structure with appropriate financial control activities in order to steer the company on its strategic KPI's. Further, the CFO will have primary day-to-day responsibility for planning, implementing, managing and controlling all financial-related activities of PHYSEE.

We need someone who is eager to build a strong financial backbone fit for long-term growth and understands accounting systems like Exact Online (or eager to learn). The job requires a structured person who has eye for detail and is comfortable in decision making.

Your mission

- You will lead the finance department of PHYSEE
- You will develop a sound reporting structure and appropriate financial control activities to create accountability across the organization
- You will develop and monitor annual budgets as well as longer-term forward-looking projections
- You will be responsible for all other activities related to financial services, including accounting, cash management, payroll, external audit and all other financial responsibilities as needed
- You will execute on Exact Online Handel accounting & bookkeeping

Requirements

- Masters in (Business) Economics/Finance (or strong affinity and experience with finance),
- Required working experience: minimum of 5 years
- Excellent spoken and written Dutch and English

Do you think you're capable for the job and are you the perfect team member? Let us know you and send an email to Noortje at jobs@physee.eu.

Looking forward seeing you!
