

We are looking for a Financial Controller who will build our finance department with expertise, knowhow and diligence.

Full time – Delft
as of August 1st (or as soon as possible)

PHYSEE

At PHYSEE we have a thorough belief in sustainable innovation without compromise. Innovation which brings added value for our customers, without compromising on aesthetics, technology or costs. Holding on to this belief has led us to design and produce the world's first fully transparent, energy and data generating windows; PowerWindow and SmartWindow.

Since we focus on building a better future we are determined to expand our young and ambitious team, following the principles of our company culture, which is described as 'a place where free-spirits can flourish' by one of our valued PHYSEEnairs.

The job

As we are a rapidly growing organization, building the fundamental foundation of our company is essential. After raising our Pre-Series A, we are now looking for someone to build our finance department with expertise, knowhow, and diligence. Someone who is a real team-player. Managing accounting and monitor internal controls, including banking and finance activities, proper reporting and payment to all taxing authorities, insurance recommendations and related purchases and corporate documentation. Furthermore, you will work directly with the CFO.

In conclusion, your ultimate responsibilities are to deal with finance and accounting, ensuring that the business is profitable and that there are proper internal controls. The job requires a structured person who has an eye for detail and is comfortable in making decisions.

Your mission

- Building the financial department and creating accountability for financial projections
- Executing on Exact Online Handel accounting & bookkeeping
- Integrating infrastructure for accounts receivable/payable and invoicing
- Being responsible for project-based administration and financial modelling
- Developing projections models based on strategic company KPI's
- Growing towards strategic understanding of future (financial) opportunities

Requirements

- Masters in Economics/Finance (or strong affinity and experience with finance)
- Required relevant working experience: >3 years
- Excellent spoken and written Dutch and English

Do you think you're capable for the job and are you the perfect team member? Let us know you and send an email to Noortje at jobs@physee.eu.

Looking forward seeing you!
