Chamber Member Vendors

F.A.Q.

- Q.** I need help to unload my car and set up my tent. Who will help me?
A. We wish we could help, but we don't have enough volunteers to offer that service.
- Q.** I organize my booth in such a way that I need to setup the booth as I unload the car. Is that okay?
A. Our festival is in a beautiful, but small setting. It gets very congested with cars. You must unload your boxes & tent, move your car and *THEN* come back to setup.
- Q.** Oh, I read that I only get one vendor parking pass! Please give me another one, I must have a second car.
A. We cannot. Your second car can park in general parking which is just a little farther away than our limited vendor parking. One of our volunteers will direct you to both parking lots.
- Q.** Why do I have to wait until 6:30 PM to bring my car to my space for take-down? The festival closes at 6:00!
A. This is a safety issue, because the public doesn't vacate the streets until long after we have closed.
- Q.** I would like tickets for the folks who have to come in later in day to help me with my booth.
A. You will need to buy tickets (on powhatanwinefestival.com) for your helpers coming in later (after set-up).
Remember those arriving to setup in the morning do not need a ticket.
