BLOOD PRESSURE SCREENING TODAY

Please stop in the Foyer near the Nursery for a check on your blood pressure, especially if you are new to blood pressure meds or have had a recent change in your dose or type of medication.

LET US KNOW HOW YOU ARE DOING

Would you like spiritual support during your illness or hospitalization? Please tell us when you or a family member is in need. You are an important part of our church. When you are facing health problems, know that we want to be with you in difficult times. Please don't assume we already know. We would rather get three calls about your illness than none. Your privacy will be respected, if that's your desire. Please call the Church Office and let us know about your health needs.

YWAM/Educating for Life

A teacher-training program to teach special education teachers and parents of kids with disabilities

Soon we will be returning to Papua, New Guinea, to help prepare local leaders to run training programs throughout the country. The one started in Port Moresby last year is doing very well and continues to expand. We are excited to help another community start a new school. Thanks for joining with us as we serve teachers, parents and children around the world!

PRAISE GOD FOR:

- The ability to contact the needed leaders. Communication can be difficult—several of our contacts have had their phones stolen in the last month.
- The success of the Educating for Life program and its impact on people, encouraging real growth and change.
- The government of PNG actively seeking to improve education and wanting their system to be based on God's Word.
- All those in PNG who are working to improve their educational system and honor God in all they do.

PRAY FOR:

- Our family's health and safety as we enter into some unsafe areas.
- Visas to be issued quickly as we may not be able to use the free tourist visa option.
- All the needed funds for plane tickets, both internal and international, living expenses and program supplies. We have to visit several locations on this trip and will not have the YWAM base to provide supplies this time.
- God to prepare the hearts and minds of the people we are to work with and to give us wisdom in showing them how to teach from a Biblical perspective.
