### NOTE OF THANKS

"We just wanted to say a huge thank you to all the prayer warriors at Revive during the extremely challenging time our family faced this past month with Tanner. We truly do not know what tomorrow holds but we know God is holding tomorrow. We are so thankful God was in control and we feel so blessed by the support, prayers, hospital visits and meals. To say we will miss our Revive family would be an understatement. Thank you from the bottom of our hearts."

**DANIEL STRONG** = *A pursuit of excellence in body, mind, and spirit for God's glory*

Forgive!! Be aware of statements that produce self-blame, shame or guilt. "Oh there you go again—missed another exercise session" or "You will never change!" Typically self-blame can spiral into a demoralizing way of thinking that can sabotage your best efforts. If you missed an exercise session or were inactive for a short period of time, which will happen, don't beat yourself up! Simply assess your lifestyle at the time and plan to get back into your new "Daniel Strong" active lifestyle. Maintaining an active, healthy lifestyle requires patience, persistence and—most importantly—forgiveness.

## MISSIONARY OF THE WEEK

**David Durey**

**T-Net International**

### PRAISE GOD:

- We are excited that my parents are moving near us and will join us at Trinity Church in Lakeville.
- For my return to Kenya to meet with country leaders and key trainers who graduated from the Training Center in Kisumu, Kenya where I taught. These leaders now have over 2,000 pastors in centers in Uganda, Tanzania, Ethiopia and Kenya. Following the Trainer's Summit, I will officiate and deliver the commencement address for a T-Net student graduation in Nairobi, Kenya.

### PRAY FOR:

- My parents in this big transition of downsizing and moving. Pray for all the closing details on their house in Iowa and the townhome here.
- Kenya Trainer's Summit – September 22–29. Pray for each participant as we complete 80 hours of preparation assignments, safety in travel, safety during our stay in the Nairobi city center, health and strength for the intense schedule of that week, especially since the Kenya Supreme Court overturned the recent Presidential election and scheduled a new election for mid-October. Many were killed following the election.
- Ron Berget and me as we are writing a course on church multiplication through evangelism small groups. Pray for wisdom and God's direction. We must finish before our Asia trip in late October.
- Me as I am processing graduation documents and details for Kenya and Sri Lanka. Sierra Leon, Togo and Benin and Rwanda are also submitting requests for graduations that will need to be processed yet this year.
