Louis XVI Period Walnut Commode

34.5 in. H x 45.75 in. W x 22.25 in. D

This French walnut commode is a perfect example of the fine workmanship and understated beauty of the Louis XVI period. Rectangular in shape, this gem exhibits many of the lovely details characteristic of the period reeded columns framing the cabinet, rounded corner posts and a simple reeded decoration on the apron. The two drawers have simple, clean molding and are adorned with bronze pulls and escutcheons.
