### Scandinavian Painted Secretary

82 in.H x44 in.W x24 in.D

Painted in a lovely gray with terra cotta colored interior, this secretary is not only beautiful, but it is quite practical as well. The top features an arched cornice with dentil molding surmounting a center door and eight small drawers. The slant top is exquisitely carved and opens to reveal a writing surface, a center storage area and three small drawers. The lower section features three large, slightly bowed drawers and is raised on bracket feet. This truly charming and unique piece has a quiet elegance about it and would add star quality to any space!
