“Expressive Wines from Small Growers”

pittnauer

Product name		Rosé König
Vintage	2023	
Type of vine	Blaufränkisch, St. Laurent, Zweigelt	
Classification	Quality wine	
Region	Burgenland (Austria)	
Soil Type	sandy, clay with some chalk	
Vineyards	Heideboden	
Maturation	6 months in stainless steel tank	
Residual Sugar	1,0 g/l	
Acidity	6,3 g/l	
Alcohol Content	11,5% vol.	
Bottle Type	„Rheinwein“-bottle	
Closure type	Screwcap	
EAN-Code/bottle	9120011730190	
EAN-Code/box	9120011730213	
Pieces per box	6	
Pieces per pallet	630	
Box per layer	21	
Boxmeasurement	17x25x36cm	
Pallet height	194,40cm	
Storage temperature	16°C	

Background	<p>True to the motto “Rosé for everyone”, the Rosé King is a cuvée for every occasion: it is inviting and stimulating, puts you in a good mood and looks great on the terrace, on the beach and with food. The Rosé König consists of Blaufränkisch, Zweigelt and St. Laurent grapes, which were hand-picked from specially cultivated vineyards on the right bank of Lake Neusiedl.</p> <p>The meteorological conditions in 2023 were as exciting as ever. The spring was fortunately rainy, the summer was sometimes changeable and often hot, but without breaking any records. The harvest then took place in mostly sunny weather and generally ideal conditions. All in all, we think 2023 was a very good vintage for both red and white grapes.</p> <p>The Rosé König was pressed after a few hours of mashing, spontaneously fermented and then aged in steel tanks for a few months.</p>
Style and Aroma	<p>Lively, refreshing and fruity. Taut and inviting, with a linear structure and revitalizing acidity. Impresses on the nose with subtle but long-lasting aromas reminiscent of raspberries, cherries and citrus fruits. Appears agile, youthful and elegant on the palate - less like a wise king than like a young and carefree prince who enjoys the moment with a radiant and light mind.</p>
