

2017 BREC League Policy

Evening matches: If a 6:30pm (9:00am) league match is not completed by 8:30pm (11:00am), the shop clerk will notify the teams that the court will have to be relinquished to scheduled 8:00pm (10:30am) matches. The teams must reschedule the rest of their match at their own expense.

Note: If a match is in the third set tie-breaker (10 points) ONLY those teams are allowed to complete the match rather than reschedule.

For 8:00pm matches: All BREC facilities close at 10:30pm. If the match is not completed by that time, the shop clerk will inform the teams 15 minutes prior to closing that they must complete their match by 10:30pm, or they will have to reschedule the rest of their match at their own expense.

For 9:00am day matches: If other courts are open at 10:30 to 11:00am, BREC may reassign those open courts to the waiting Day Team to allow them to begin their matches.

It is not the responsibility of the Shop Clerk to get matches on the court or give advice on tennis league regulations, rules, etc.

BREC reserves the right and authority to assign and reassign courts for league play as needed.
