EXPERIENCE

Simon/Myers

UX Researcher and Industrial Designer

Wheaton, IL | July 2017 - Present

Collaborate with 2D and 3D teams to consult, design, and deliver to clients. Projects require UX research, UX design, industrial design, brand development, and social media co-management. Clients include Balance, Delta Faucet Company/Brizo, and more.

Abbott Group & UIUC College of Business Industrial Designer

Champaign, IL | August 2016 - May 2017

Developed an Abbott Group sponsored project through a year-long Illinois College of Business course. Collaborated with an interdisciplinary team as an industrial designer. Conducted research traveling to four parts of India during the winter of 2016.

The Chamberlain Group Industrial Design Intern

Elmhurst, IL | May 2016 - August 2016

Designed and presented a final project to Chamberlain's executive leadership team through collaboration with product engineers. Completed five supplementary projects that consisted of UX design, sketching, prototyping, research, and 3D modeling.

University of Illinois, School of Art + Design Service Desk Assistant and Digital Output Support

Champaign, IL | August 2015 - May 2017

Maintained and managed the laser-cutter, Formlabs Form 2 printer, Stratasys 3D printer, Mimaki, vinyl cutter, EPSON Inkjet, Advanced Media, Zortrax 3D Printers, and assist lab patrons in preparing files.

Surge Innovations

Industrial Design Intern and Freelancer

Chicago, IL | May 2015 - August 2015

Consulted and redesigned promotional products for clients including Bacardi and Burger King. Pitched a final brand-oriented project concept for Surge's client. Continued relationship as a freelancer post-internship.
