HATS Title VI Complaint Procedures

**Purpose:**

The HATS Title VI Complaint Procedures is written to specify the process employed by HATS to investigate complaints, while ensuring due process for Complainants and Respondents. The process does not preclude HATS from attempting to informally resolve complaints.

This procedure applies to all external complaints relating to any program or activity administered by HATS and/or its sub-recipients, consultants and contractors, filed under Title VI of the Civil Rights Act of 1964 as amended, (including Disadvantage Business Enterprise and Equal Employment Opportunity components), as well as other related laws that prohibit discrimination on the basis of race, color, disability, sex, age, low income, nationality or Limited English Proficiency. Additional statutes include, but not limited to, Section 504 of the Rehabilitation Act of 1973, the Civil Rights Restoration Act of 1987, and the Americans with Disability Act of 1990.

These procedures are part of an administrative process that does not provide for remedies that include punitive damages or compensatory remuneration for the Complainant. Intimidation or retaliation of any kind is prohibited by law.

**Process:**

An individual, or his or her representative, who believes that he or she has been subject to discrimination or retaliation prohibited by Title VI and other nondiscrimination provisions, has the right to file a complaint. Complaints need to be filed within 180 calendar days of alleged occurrence, when the alleged discrimination became known to the Complainant, or when there has been a continuing course of conduct, the date on which the conduct was discontinued or latest instance of the conduct.

**Complaints may be mailed to:**

Complaints shall be in writing and signed by the Complainant(s). If complaints are received by telephone or in person, the Title VI Compliance Officer or other authorized representative shall formally interview the person to provide the basis for the written complaint. If necessary, the authorized person will assist the Complainant in writing the complaint. The written complaint must include the following information:

- Name, address and telephone number of Complainant
- Basis of the complaint (e.g., Race, Color, National Origin, Sex, Age, Disability or Retaliation)
- A detailed description of the circumstances of the incident that lead the Complainant to believe discrimination occurred.
- Names address and phones numbers of people who may have knowledge of the alleged incident or are perceived as parties in the complained-of-incident.
- Date or dates on which the alleged discrimination occurred
- Other agencies where the complaint was filed.

As an investigation moves forward, additional information may be required.

If HATS receives a formal complaint, they will acknowledge receipt of the complaint by notifying the Complainant and immediate transmitting the complaint to the proper state or federal agency (e.g. Federal Highway Administration, Federal Transit Administration, and PennDOT) for investigation and disposition pursuant to that agency’s Title VI complaint procedures. This will be done via the most time efficient method, most likely email. The Department of Justice has final word on what agency will investigate the claim.

The HATS Title VI Compliance Officer will maintain a log of all complaints received by the Commission.
**Appeal Process**

If the Complainant does not agree with the decision by the Respondent and cannot come to an informal agreement, the Complainant can directly file the complaint with:
