

## Day one: Tuesday 12 September 2017

08:00	Registration
08:30	<b>Conference opening ceremony</b> <i>Tim Pallas MP, Treasurer of Victoria</i>
08:50	<b>Modernise or die: the construction industry's burning platform for change</b> <i>Mark Farmer, international keynote speaker</i>
09:50	Navigating digital disruption and global change <i>Dr George Quezada, CSIRO</i>
10:15	Morning tea
10:30	Solar and battery solutions are set to add spark to the construction sector <i>Nick Carter, Tesla</i>
10:55	The contractor role in optimising the selection of offsite elements for medium high-rise construction <i>Adam Strong, Strongbuild</i>
11:20	From builder to prefab modular manufacturer: mid-life crisis or no brainer? <i>David Michel, Bedrock Offsite Modular Solutions</i>
11:45	<b>Prefab industry growth: an international and Australian perspective</b> Moderator: Pamela Bell, PrefabNZ <i>Mark Farmer, Dr George Quezada, Adam Strong and special guest Nick Deeks, WT Partnership</i>
12:35	Lunch
13:25	<b>MCCB – session one</b> The Handbook for the Design of Modular Structures and practical applications <i>James Murray-Parkes, founder and director, Modular Construction Codes Board</i>
14:15	Modularity for a future flexible world <i>Stanislav Martinec, KOMA (Czech Republic)</i>
14:40	Prefab – a simple solution for high performance, passive house (Passivhaus) construction? <i>Darren O'Dea, Inhabit Group and Australian Passive House Association</i>
15:05	Afternoon tea
15:30	Industry-led research response to non-compliant building products and research update from ARC-CAMPH <i>David Heath, National Technical Manager; and Tuan Ngo, Research Director, ARC Centre for Advanced Manufacturing of Prefabricated Housing</i>
16:05	The role of modular construction in developing the hospitality industry <i>Ewelina Wozniak-Szpakiewicz, Cracow University of Technology and DMDmodular (Poland)</i>
16:30	Transforming Australia through innovation: the fourth industrial revolution <i>David Chuter and Lance Worrall, Innovative Manufacturing CRC</i>
16:55	Redefining prefab <i>Damien Crough, prefabAUS</i>
17:00	End of day one
17:00–19:00	Networking function

## Day two: Wednesday 13 September 2017

08:00	<b>prefabAUS AGM (members only)</b>
09:00	What we can teach ourselves about encouraging technology uptake? <i>Lauren Christie, PrefabNZ (New Zealand)</i>
09:25	Design interpretation and detailing for fabrication <i>Robert Beson, AR-MA</i>
09:50	Prefab evolution in Europe <i>Alexander Neuss, SEMA (Germany)</i>
10:15	The 3D photogrammetry revolution <i>John Lucchetti, Wood &amp; Grieve Engineers</i>
10:35	Morning tea
10:50	Smart housing in Sweden: the 'triple helix' approach driving innovations in glass and wood <i>Mikael Ludvigsson, Smart Housing (Sweden)</i>
11:25	Beneath the Veneer: developing resilience in the Australian prefabrication supply chain <i>David Bylund, WoodSolutions</i>
11:50	Tribe Hotel: delivering design-focused hotels with innovative prefabricated construction <i>Mark Peters, Tribe Hotel Group and Nick Travers, Technē Architecture + Interior Design</i>
12:25	Lunch
13:20	<b>MCCB – session two</b>
	Self-sufficient buildings and financial viability: are we there yet? <i>Ross Harding, finding infinity</i>
	Progressive collapse and Monash University research update <i>Yu Bai (Barry), Director, Modular Construction Codes Board</i>
14:15	Where to for off-site construction assurance? <i>David Chandler, constructionEDGE</i>
14:40	Afternoon tea
15:10	<b>Industry leaders panel – prefab in motion</b> Moderator: Damien Crough, prefabAUS  <i>Kristin Brookfield, Housing Industry Association</i>  <i>Sally Capp, Property Council of Australia</i>  <i>David Chuter, Innovative Manufacturing Cooperative Research Centre</i>  <i>Peter Malatt, Australian Institute of Architects</i>
15:55	<b>Conference closing remarks</b>
16:00	End of day two and close of conference
16:00 - 17:00	Farewell drinks
