2020 Membership Agreement**

All 2020 SSSRC members, after having thoroughly read the S/SSRC Pool Rules and Policies, must read, sign and return this Membership Agreement with your 2020 Membership Contract and dues. This signed agreement must be returned to the club before access to the swimming pool and other facilities will be permitted. We ask that parents sit down with their children and discuss the enclosed rules and policies with them.

We have read, understand and will obey all the rules, regulations and policies of the SSSRC. We have discussed and explained club rules and policies to all minor children included in our membership. We understand we are responsible for informing any guests we invite to the SSSRC of the club's rules and policies. Also, we will assist management by calling attention to any situation or condition we observe at the club which might result in injury.

We understand that we are financially liable for all charges we or our guests make to our membership account for snack bar items, rentals, lessons or other services which we receive from the SSSRC.

We understand the consequences and repercussions of "bathroom accidents" in the swimming pool and will monitor our children and take them regularly to the bathroom and will use the adult swim time as "bathroom breaks." We understand the SSSRC Board of Directors reserves the right to fine specific members for "bathroom accidents" in the pool up to \$250 per incident to compensate for expenses incurred for additional chemicals, cleaning supplies, personnel time, and lost use.

We understand that failure to comply with SSSRC rules, regulations, and policies will be grounds for the exclusion of individual members and any guest from the facility. Subsequent action may be taken by the SSSRC Board of Directors and may include revoking individual pool privileges for any length of time, including the remainder of the pool season. Eviction or suspension of pool privileges for non-compliance of the rules by a member or their guest shall not entitle such member to a refund of membership dues or fees in whole or in part.

Signatures are required from all adult members.

II. Swimming Pool Policies

1. SSSRC facilities are open to members in good standing and their guests.
2. Children under the age of ten and any person unable to look out for themselves must be accompanied by a parent, guardian or responsible caregiver (16 years of age or older). A lifeguard may challenge the qualifications of the responsible person if actions warrant.
3. Children 10-15 years of age must pass a swimming test administered by the pool manager or a lifeguard before being permitted to come to the club and swim independently. The test must be taken each year unless waived by the club manager. A parent or guardian must be present during the swim test and must provide written permission for the child to come to the club and swim independently. The swimming test will consist of:
 - Swimming the length of the pool;
 - Treading water for two minutes;

- Back float for two minutes;
 - Demonstration of self confidence in the water.
4. A ten-minute adult swim will be called at the end of each hour, except at 10 minutes before closing. The following rules apply:
 - Only persons 18 years and older are permitted in the pool during adult swim;
 - All children must have all body parts out of the water; and
 - Parents/guardians may accompany children one year of age or younger in the pool during adult swim. Direct hands-on supervision is required.
 5. A designated lap lane is available upon request during the final hour of operation for the day. Members may request installation of a lap lane at other times if ten or fewer swimmers are in the pool.
 6. The pool deck telephone is for emergency use only.
 7. Only authorized personnel are permitted in the guardhouse, pump room, and on the lifeguard stands.
 8. Members or guests suspected to be under the influence of alcohol or drugs will not be allowed in the pool, and may be asked to leave the facility.
 9. The SSSRC is not responsible for lost or stolen articles. A lost and found shelf is located in the clubhouse near the restrooms.
 10. Management will make every attempt to keep the pool open during posted hours of operation. However, conditions may arise which require closure of the pool. The pool deck will be cleared and the facility may be closed under the following conditions:
 - Cool or cold temperatures; cool, rainy weather
 - For 30 minutes after each clap of thunder; 45 minutes after sighting of lightening;
 - Hail or rain showers which prevent observation of the bottom of the pool; or
 - Any other conditions that may endanger pool users or staff.
 11. Members are responsible for any bathroom accidents which they, their guest or their child cause in the pool. Use of adult swim time for “potty breaks” and changing of swim diapers and plastic pants is encouraged. Health department codes require that the pool must be closed for 24 hours after fecal contamination is discovered. A \$250 “clean-up” fee will be charged to the offending member.
 12. The SSSRC is a non-smoking facility.

 - An adult member must be at the club with their non-member guests at all times;
 - Members are responsible for their non-member guests’ behavior and any damages caused by the guest(s);

IV. Enforcement of Rules and Policies

1. Lifeguards and management will enforce the rules of the SSSRC. All members and guests are required to abide by club rules and obey instructions of the staff members.
2. Non-compliance with rules may result in suspension of pool privileges. Lifeguards and the club manager have the authority to suspend pool privileges for the remainder of the day, or longer as the infraction may warrant. Unless the offense requires immediate action, three warnings will be issued for rule infractions prior to any suspension of privileges. Any suspension of privileges and repeated violations will be reported to the SSSRC board of directors. Subsequent action may be taken by the SSSRC board of directors and may include revoking an individual’s pool privilege for the remainder of the pool season. Eviction or suspension of pool privileges for non-compliance with rules by a member or their guest shall not entitle the member to a refund of any membership fees.
3. Policy complaints should be brought to the attention of the Club Manager or the SSSRC board of directors.
