PRESIDENT HARRISON'S WELCOME
2016-2017

Dear potential student,

As you open the pages of this catalog you are embarking on a new educational journey with West Coast Bible College & Seminary. 2016 represents the 10 year anniversary of the start of WCBCS and in that time God has done amazing things! We have seen over 2,000 students enroll with in one of our online degree programs and thousands more at numerous training sites around the world. We have built churches and sacrificially supported missionaries, with the grace of God and our students. We've kept tuition costs low so our students can live out their ministry DNA without being in debt.

Now, in 2016, the board and administration of West Coast Bible College & Seminary has decided to take the next step in improving every phase of our college! The following information you are about to read is a by-product of years of hard work that has resulted in some significant changes to our programs. These changes are necessary and will certainly benefit our students! So, as you read long, know that you have the potential to be a part of something special God has done and is continuing to do in our world! I look forward to hopefully having an opportunity to personally connect with you in the near future! Stay focused and finish what God has called you to do because God is amazing!

Because people matter,

WCBCS HISTORY
WCBCS began as a dream of President Kevin Harrison in 1987 after attending Impact '87 and hearing Lloyd Zeigler speak about his passion for training students. In 1999 the dream grew as Harrison focused in on creating a Bible college that is practical and relevant to life and ministry and yet one that would NOT create disciples of debt. Together with a team of educated men and women who have a passion for God and compassion for people, we've launched WCBCS as an online college and seminary so we could minimize the costs and allow people to continue their education without having to turn their family's lives upside down.

The official launch of West Coast Bible College & Seminary was in 2006 after two years of preparations. Since then we have been privileged to serve students over 2,000 students from around the world in getting the education they need for life and ministry. We are affiliated with Casa do Oleiro Ministries in Brazil which means "Potter's House" in Portuguese. Since 2000, Casa do Oleiro has been involved with launching hundreds of churches in Brazil, Africa, India, Russia, and other parts of the world, as well as to start and run orphanages for those in need. The goal of CdO is to see over 1 million people accept Jesus Christ as their personal Savior over the next 10 years and to plant 500 more churches. To do this, we MUST train ministers to reach people!!

DOCTRINAL STATEMENT (WHAT WE BELIEVE)

THE BIBLE. WCBCS believes the Word of God is 100% Divinely Inspired and holds to the total authority of Scripture for effectively living the Christian life. Furthermore, we believe the Word of God is free from error in dealing with any subject matter, including scientific, historical, moral, and theological.
THE TRINITY. WCBCS believes in the triune, Godhead—one eternal, transcendent, omnipotent, personal God existing in three persons: Father, Son, and Holy Spirit. God the Father, the first person of the Divine Trinity, is infinite Spirit—sovereign, eternal, and unchangeable in all His attributes. He is worthy of honor, adoration, and obedience. Jesus, The Son, is the Perfect, sinless humanity and the absolute, full deity of the Lord Jesus Christ, indissolubly united in one divine-human person since His unique incarnation by miraculous conception and virgin birth. The Holy Spirit is the third person of the Godhead who convicts, regenerates, indwells, seals all believers in Christ, and fills those who yield to Him. The Holy Spirit gives spiritual gifts to all believers; however, the manifestation of any particular gift is not required as evidence of salvation.

HISTORICITY. WCBCS believes in the full historicity and accepts the clear explanation of the biblical record of primeval history. This belief includes the literal existence of Adam and Eve as the progenitors of all people, the literal fall of man into sin and resulting divine curse on the creation, the worldwide cataclysmic deluge, and the origin of nations and languages at the tower of Babel.

REDEMPTION. WCBCS believes in the substitutionary and redemptive sacrifice of Jesus Christ for the sin of the world, through His literal physical death, burial, and resurrection, followed by His bodily ascension into heaven.

SALVATION. WCBCS believes that personal salvation from the eternal penalty of sin is provided solely by the grace of God on the basis of the atoning death and resurrection of Christ. One may only receive Salvation through personal faith in the person and work of Jesus Christ.

LAST THINGS. WCBCS believes in the future, personal, bodily return of Jesus Christ to the earth to judge and purge sin, to establish His eternal Kingdom, and to consummate and fulfill His purposes in the works of Creation and redemption with eternal rewards and punishments.

BIBLICAL CREATION. WCBCS believes the world was created in a literal six days of the Creation week.

LAST THINGS. WCBCS believes in the future, personal, bodily return of Jesus Christ to the earth to judge and purge sin, to establish His eternal Kingdom, and to consummate and fulfill His purposes in the works of Creation and redemption with eternal rewards and punishments. (WCBCS believes in the imminent return of our Lord and Savior Jesus Christ, otherwise known as the Rapture of the Church)

SATAN. WCBCS believe sin the existence of a personal, malicious being called Satan. He acts as the tempter and accuser, for whom the place of eternal punishment was prepared, where all who die outside of Christ shall be confined in conscious torment for eternity.

BAPTISM. WCBCS believes in and practices baptism by immersion as an outward expression of the inward decision to place one’s faith in Jesus Christ, as well as taking communion to remember the sacrifice and suffering of Jesus on the cross.

PERSONAL DEVOTION. WCBCS believes Christians should develop in their faith and be committed to a life of personal devotion to God. Commitment is expressed through corporate and private worship, participation in small group Bible study, meaningful service in a ministry, giving financially in a God-honoring way and intentionally introducing others to a personal relationship with God.

LEADERSHIP. WCBCS believes in divinely called and Scripturally ordained leadership ministry that serves the Church.

WCBCS MISSION STATEMENT - "Creating disciples of Christ without creating disciples of debt"
The mission of West Coast Bible College & Seminary is to honor God by educating and ministering to a diverse community of students for the purpose of developing servant-leaders who will radically impact the world where they live with the Gospel of Jesus Christ. We accomplish this through biblically based programs and services that have an appreciation of past traditions, but that utilize cutting-edge technology and the latest resources to equip our students for the future.

PHILOSOPHY OF EDUCATION

WCBCS is an online Bible college that is wholly committed to educating and training men and women to serve in ministry, whether vocationally or voluntarily. As a Bible college, the heart of the teaching will center on the infallible and inerrant Word of God and its' relevance to all areas of life. However, we also understand there are numerous practical issues in education that must be addressed. As such, this is the WCBCS philosophy of education statement:

1. Education is focused on truth, and God is the ultimate source of Truth. He reveals Himself to us in nature; in His Son; and in the Bible, the only inerrant, authoritative, and sufficient rule for faith and practice (Psalm 8:2-4; Hebrews 1:1-3; II Timothy 3:16, 17).
2. The Lordship of Christ and the sovereignty of God are all-inclusive; therefore, all areas of life and learning are regarded as sacred (Romans 11:36).
3. Christian education is the result of all knowledge being tested against, and integrated with, a biblically based view of God and the world (Colossians 1:16, 17; John 1:3).
4. The Christian teacher/professor, empowered by the Holy Spirit, guides and nurtures students through instruction, admonition and personal example. The Christian teacher/professor seeks to encourage the spiritual development of students since this is the foundation for their academic, social and personal growth (Colossians 1:28; Proverbs 1:7).
5. Christian education occurs as the Holy Spirit works effectively in the hearts and minds of the students. Through general revelation students learn of God and His world (Acts 14:17; Romans 1:18-20). Special revelation and regeneration are regarded as essential components of Christian education because a personal relationship with Jesus Christ provides students with the ability to view life from a Biblical perspective (I Corinthians 2:14).
6. God has created all students with unique talents as well as particular developmental growth patterns. Therefore, the learning process is enhanced as teachers develop teaching strategies and environments to help students grow (Psalm 139:13-15; Romans 12:4-8).
WCBCS
STUDENT CATALOG
2016-2017

7. Service to others inside and outside the online classroom environment contributes to the
development of each student's talents and abilities (1 Corinthians 12).
8. Excellence in the quality of education offered to students brings glory to God and provides a
compelling witness to our neighbors (Philippians 1:9-11).
9. The goal of Christian education is to develop students who will serve God and impact their
community and the world by thinking and acting biblically in all areas of life (Romans 12:2).
10. An online educational community allows for the training of anyone, anywhere, at any time
and offers a relevant, contemporary means of fulfilling The Great Commission to "go and make
disciples" (Matthew 28:18-20, Mark 16:15).

"IN ESSENTIALS, UNITY;
IN NON-ESSENTIALS, LIBERTY;
IN ALL THINGS, CHARITY"
- RUPERTUS MELDENIUS

WCBCS is a non-denominational seminary that exists to provide high-quality ministry training at the lowest cost possible to ensure that finances will not be a hindrance to the global training of leaders and the spread of the gospel of Jesus Christ.

1) Christ-Centered – Our reason for existence centers around the person of Jesus Christ and therefore all of our programs, professors, and instruction will reflect this core value.
2) People-Focused – We know that all people matter to Jesus and they matter to us, as well. Therefore, we will do everything in our power to ensure that all people are treated equally, fairly, and with respect because they are made in God’s image and likeness (Genesis 1:27).
3) Uncompromisingly Bible-based – We neither neglect, compromise, nor apologize for teaching the Word of God in every class.

2016-2017

6) Missions-oriented – We are committed to pouring 10% of all finances that come into West Coast Bible College & Seminary back into missions to build churches and to provide practical needs for those in countries outside of the U.S.

7) Theologically sound – We are committed to theologically sound education that is based upon the Word of God. While methods will certainly change throughout the ages, the principles of God’s Word are a firm foundation that must be properly discerned and taught so that our students will have a strong base of learning for life and ministry.

WCBCS CODE OF CONDUCT

WCBCS believes in the value of personal accountability to God and others. As such, we believe that rather than having a long list of things a person should not do, our approach is to focus on how every Christ Follower is called to live. This is the official Code of conduct that directors, administrators, faculty, staff, and students must agree to abide by this code and state in writing. West Coast Bible College & Seminary affirms that:

1. Christ Followers are called to be Christ-like in attitude and actions as a testimony of what Jesus has done in their lives. (Philippians 2:5-11)
2. Christ Followers are called to glorify God by living holy lives, abstaining from even the appearance of sin. (1 Corinthians 6:19-20; 1 Peter 1:13 16).
3. Christ Followers are called to avoid even the appearance (every form) of sin. (1 Thessalonians 5:22)
4. Christ Followers are called to demonstrate a love for God and for people. (Matthew 22:37-39)

After thirty days the grade is considered final and is not subject to appeal by the student or any third party.

WCBCS is not responsible for lost tests, projects, etc. Please be sure to make a copy of all material prior to submitting material to WCBCS for grading or evaluation.

COURSE REPEATING POLICY
Students desiring to repeat a course for the purpose of having the first grade removed from the cumulative grade point average must follow these procedures:

1) A course may be repeated once if the student receives a grade of less than "C".
COURSE REPEATING POLICY, cont.
2) A course may be repeated one time for an additional charge if the student receives a "C" or higher.
3) The second grade, in all circumstances, replaces the first grade for the purpose of calculating the cumulative grade point average.

Any student receiving an "F" or "I" must contact the Grade Department for further instructions. No student will be allowed to graduate with an "F" or "I" in a required course. Any undergraduate student receiving three "Fs" will be placed on academic probation. Any graduate student receiving two "Fs" will be placed on academic probation.

COURSE COMPLETION POLICY
As of June 1, 2016, students will have 5 weeks to complete each course in accordance with the course syllabus. Students are, therefore, encouraged to be diligent in completing assignments daily. Exceptions will only be made in the case of a medical emergency or death of an immediate family member. In case of such a circumstance, please email the VP of Student Services, Rebecca Harrison, at becky@myWC.me to request permission in advance. Actual proof may be required if requested.

ENTRANCE REQUIREMENTS
Students who would like to enroll must: 1) Have a personal relationship with Jesus Christ; 2) Have graduated from high school or completed a GED; and 3) Send copies of the "official transcripts" from all of the schools you have attended to the WCBCS address. (Official transcripts are sent directly from the previous schools to WCBCS. Faxed or email copies are not deemed to be official. If a student is sending a transcript from another college, it will not be necessary to request a high school transcript to be sent. Students may not complete a class before their "official transcript" is on file.

TRANSFER STUDENTS
WCBCS does accept transfer students. Students transferring in hours will receive an assessment completed to determine which classes must be taken for graduation and therefore must have an official copy of a transcript from your previous school(s). Students may not complete a class before their "official transcript" is on file. Also, no transcript will be assessed until a student has applied to WCBCS.

Graduates do not need to participate in order to receive their degree. However, this option is available to honor and recognize our students’ accomplishments by their friends and families.

TUITION & FEES
Why is the cost of tuition so low at WCBCS as compared with other colleges? Our Internet-only campus allows us to focus on educating you without having to pay for expensive buildings. With professors who believe in the mission, we're able to keep the costs low without sacrificing quality. The best thing: You are able to pay as you go or make a one-time payment so you're not in debt for life! Please go online for the latest tuition and fee prices.

Library Fee: Beginning on June 1, 2016, all students will be required to purchase a subscription to Questia.com. The current cost of this subscription is $99 annually.

NO REFUND POLICY
Since our tuition costs are so low, once a student has paid for a course or has registered we DO NOT offer ANY financial refunds. Immediately upon your payment, our professors get paid, as do our office staff for their contributions to your education. When you click to make a payment below, you are acknowledging that you have read this statement and are in full agreement. We put this statement here to make sure there are no miscommunications. ALL payments are made via PayPal, so we never have any financial information on any of our students.

FINANCIAL AID
WCBCS does not currently offer financial aid due to the low cost of tuition.

AUTHORIZATION
Tax-Exempt Status & Authorization To Operate
WCBCS has obtained Tax Exempt Status in South Africa. WCBCS is registered CIPRO, the Companies and Intellectual Properties Registration Office.

WCBCS Ministries is recognized and approved to be exempt by the Internal Revenue Service of the United States of America, as a 501 (c)(3) Religious Organization with all rights and privileges as provided by law.

WCBCS has received a letter of authorization to operate in the state of Texas and to offer degrees in religious studies. Additionally, WCBCS has obtained authorization from the Texas Workforce Commission to operate in the state of Texas. Also, on October 3, 2011, WCBCS obtained a letter of exemption from the Texas Workforce Commission as granted under Texas Education Code, Section 132.002(a)(2).

ACCREDITATION STATEMENT
WCBCS is not currently accredited by a governmentally-recognized or private accrediting body in the US. Based upon the information we have received, it would be better for our students if we chose to not be accredited than to affiliate with a non-governmental accrediting agency. We chose governmental accreditation in South Africa because it is more affordable and we have been operating there for several years. Being a 100% online school means our students will potentially get a governmentally recognized degree and our mission is not compromised. We also are choosing to apply with TRACS because we feel they best understand who we are and what we do as a school.

Making Application for Accreditation: WCBCS has recently revisited our stand regarding accreditation in the US and have decided to make application for accreditation. We have almost completed the application and are preparing to submit it to TRACS, the Transnational Association of Christian Colleges and Schools. A LOT of work has been going on behind the scenes over the past years and we plan on making our application available for everyone to view it. Being transparent and accountable is important to us at WCBCS.

ACADEMIC INFORMATION

We will post more information as we move forward. We believe this will not compromise our position on keep the tuition costs lower for our students, as there will be numerous scholarships available to everyone who would like to apply. PLEASE DO NOT CALL THE OFFICE TO ASK ABOUT OUR US ACCREDITATION. WE WILL POST SOMETHING IMMEDIATELY WHEN WE HAVE INFORMATION AND WILL SEND OUT A MASS EMAIL TO OUR STUDENT BODY. We expect this process to take anywhere from 2 to 5 years. Even after having made application we cannot guarantee we will receive it. We remain committed regardless to continue to improve the quality and content of our programs!

WCBCS has also applied for accreditation in South Africa with the Council on Higher Education (CHE) and the Health and Welfare Sector Educational Training Authority (HWSETA). For the latest information for our African students, please go to our website.
