Summary of Institution Mission and Student Achievement

The mission of West Coast Bible College & Seminary is to honor God by educating and ministering to a diverse community of students for the purpose of developing servant-leaders who will radically impact the world where they live with the Gospel of Jesus Christ. We accomplish this through biblically based Bachelor, Master, and Doctoral degrees and services that have an appreciation of past traditions, but that utilize cutting-edge technology and the latest resources to equip our students for the future.

Student achievement is determined through annual graduation numbers, total number of graduates in the various programs, student satisfaction regarding their learning experience and willingness to recommend WCBCS to others, and number of students that withdraw annually from their program in helping to assess the institutional mission.
