Meet Kathy Kress
- our newest club member.

How long have you been playing golf?
Where did you start? I've been golfing at least 20 years. I like to play all over Minneapolis and St. Paul. We play in San Destin, Florida in the winter.

What drew you to Como and the Women's Club? I was playing with **Kathy Zieman** at Highland and she said I should join Como because I could "hit a long ball". She is very persuasive, as you all know!

Any golf tips to share? My new mantra is "butt out and chin out". Seems to help!

If you could choose, who would be in your dream foursome? I don't have a dream foursome yet but have enjoyed playing with lots of the members.

A song title that best describes your game? I would love to hit in the 90's. "I have a Dream" might be my choice of songs to convey this hope.

Anything else to share? Golf has brought me more joy than any other exercise program I have undertaken. I love it!

When play is slow, one sometimes needs to sit on the bench of the 15th tee box and catch your breath. That is just what **Ruthie Pallow** did! What next? Maybe she will be thinking that someone from the pro shop should come out and fan her and peel her grapes too. Wouldn't that be nice?

Don't you think these are cute?
Wonder if they would catch on.
Hmm...probably not.

MWPGA 4-Ball Tournament May 14, 2016

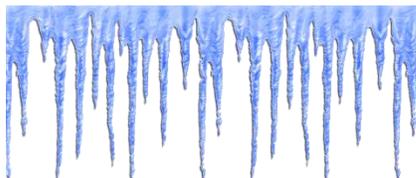

Pam Fitch auditioning for a part in the TV show Fargo? Nope, all bundled up for the 4-Ball. Brrr....

Cold, wind, hand-warmers, warm jackets, headgear, extra layers, winter gloves, Smart Wool socks...just some of the words and clothing associated with the MWPGA 4-ball event. Man was it cold! But all the Como members who signed up, "womanded-up" and finished their round at Emerald Greens.

Angie Guillaume and Sandy Denault pulled out a 2nd place win for play and a 1st place for cute headgear.

Sandy Terry and Susan Kimberly braved the cold and wind. Was it fun? You bet it was....well, that may be stretching the truth a bit but they are made of strong stuff and did not "knuckle under". You did us proud.

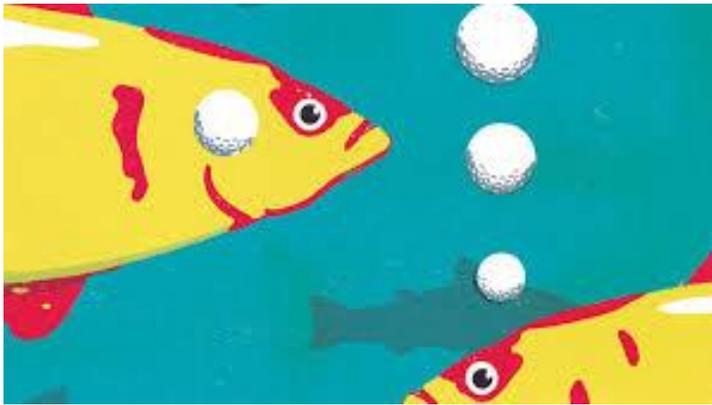

Wendy Lane, Susan Kimberly, Sandy Denault, Angie Guillaume, Jan Anderson, Ruthann Ryberg, Kathy Zieman, Pam Fitch, Ruthie Pallow, Rae Cornelius, Sandy Terry. Missing from the photo: Amy Winkel, Faith Finn.

Ruthann Ryberg and Rae Cornelius win the prize for best smiles and equally best attitudes.

Congratulations to **Jan Anderson and Kathy Zieman** for finishing in second place finish in their flight. It must agree with them to play in snowmobile suits.

2nd Annual “Give it Your Best Shot”

Wild Life Sighting

The Como grounds crew has sighted five fox cubs. They think they are grey fox. So far they have not come down onto the course but are instead hanging in a woody area. Let us know if you see any.

This is what they look like:

Be on the look-out!

Our New Scorecard Sponsors

This year we have four new scorecard sponsors and 25 returning ones. The new sponsors are Ace Hardware, Green Mill, Mike’s Pro Shop and Mudslingers Coffee. (See scorecard for locations.)

To help you get to know all of the new ones and refresh your memory on the returning ones, we will be highlighting sponsors in future *TeeTimes* issues. Without our sponsors, we are not sure how our club would continue to be able to schedule all of our fun events.

Please do your best to support them when you are able. Please mention you are a member of the Como Women’s Club and that we appreciate their support.

Thank you, thank you, thank you to whoever had the bright idea to trim under the pine trees on #12! No more crawling under them to find a ball. Yeah!

All this tree talk reminds us of a joke: What do you call a misbehaving tree?

A naughty pine! Get it? Knotty pine! Sometimes we just crack ourselves up.
