

# TEE TIMES!

## Oh, Crap!

Adding insult to injury....just as **Frankie Rooney** was commenting on the pretty birds singing, one had the nerve to "make a deposit" right on her head. Luckily **Sandy Minehan** was right there to clean Frankie up.

Don't forget to send us stuff for future Tee Times....selfies, braggy news, silly happenings on the course....we're not fussy. Sandy and Chris

## Rain or shine we love our Como Golf Course

## Guest Day 2016 to have a fun Hawaiian theme!

Tie on your grass skirt and coconut bra for some island fun! **Sandy Denault, Ruthie Pallow, Ruthann Ryberg and Wendy Lane** have a great time planned for us. Round up a guest or two also! The more the merrier.

## Missing These Ladies!

Look who showed up to have lunch with the Tuesday golfing crew! **Marge Bailey-Severson, Claire Spurling, Helga Kessler, and Carol Williams!** How fun to see them again. Each has been long time Como Women's Club members and we hope, will be back playing with us again soon.

**Single Matches:** Round one has started. Please do your best to get your rounds scheduled in a timely manner to avoid the wrath of the Singles Match Chairwoman. We've heard she runs a very tight ship; and rightly so.

**Linda Nelson** also joined the Tuesday lunch crowd. As you can see, she is battling a shoulder issue. Not to be discouraged though, Linda is teaching herself to golf left handed! Cripes, as if this game is not hard enough. Knowing Linda, she can do it.

## Let's get to know new member Carol Schulte!

**Carol Schulte** said: "I have been 'puttering around' with golf since high school but I started to seriously play the game in my 30's. About then I was fitted for Ping's. If you have met me, you can understand my need for custom clubs. I'm on my second set now. I joined Phalen to golf with my cousin and there I happened to play with **Kathy Zieman**. She invited me to play a round at Como. I found the course challenging and the women's club very friendly, so I decided to join. As to my game, I have the usual problems, but I love the game and will keep trying to get better. I expect to enjoy many rounds at Como as I get to meet each of you."

*Thank you **Kathy Zieman** for bringing in yet one more new member! Good thing you are a very social person! S&C*

## The Fine Ladies of the Como Women's Golf Club give a Warm Welcome to New Member Bertsie Rannenberg

(Thank again to **Kathy Zieman**, recruiter extraordinaire!)

**How long have you been playing golf? Where did you start?** I have been golfing over 25 years but VERY recreationally and basically only 9 holes a WEEK. I started at Highland 9 and play in their Thursday league. To take my game to the next level I have to devote more time and energy to the process.

**Favorite club in your bag and why?** My favorite club would have to be the 25 degree hybrid. It seems to be my go-to when in doubt, and a little more forgiving.

**What drew you to Como and the Women's Club?** Kathy Zieman has been my partner at Highland 9 for years. At the beginning of each season she has used her persuasive powers to convince me that if I want to become a better golfer I have to play 18. Time will tell if this becomes a reality!!! Thank you Kathy for your patience and not giving up on me.

**Four words that describe your game?** Unpredictable, frustrating, fun, challenging.

**If you could choose, who would be in your dream foursome?** My husband and two sons.

**A song title that best describes your game?** A song that best describes my golf game would have to be "DON'T STOP BELIEVING" by Journey.

**Anything else you'd like to share with us?** I am looking forward to meeting the women at Como and to improve my game one round at a time. I probably am my own worst critic and must learn to lighten up a little and take time to smell the flowers. Como is a beautiful course and I'm ready to embrace its many challenges.

Any ornithologists out there who can identify this bird? He/she has been spotted "fishing" and roosting along the 16<sup>th</sup> tee box water's edge. Might be a good luck charm for those brave enough to "go for the pin"?

## Haven't we all done this? Hmm....no, not really.

**Kathy Zieman** arrived home from the course to find her golf shoes on top of her car! Not that she lives that far away or drives like a nut but it is surprising that they didn't fly off. She thinks it's the fancy car she has with the super smooth ride. We did hear from "a source" that Kathy has lost her billfold in the parking lot and no one took it and she found her lost glasses in the locker room so why wouldn't her shoes arrive safely on top of her car? It must be the Luck of the Irish.

The 2016 MWGA Senior Four-Ball Tournament was held at Faribault Golf Course June 13 and 14. Our member **Ruthie Pallow** and former CWGC member Dee Fitch took 2nd place in the Third Flight. They had to tough it out in some rain but made it through. They represented Keller for the event but even so, hearty congratulations are in order!

## New Gardener: Laurel Arnold!

When you see this lady working hard in the gardens at our golf course, give her a green thumbs up for the great beauty she is creating. In a future issue, we'll find out more about Laurel. Don't you think Laurel is the perfect name for a gardener? Maybe her middle name is Rose or Violet or Lily or Daisy or Iris or.... OK, I think we're done now. We'll just have to ask her.
