XI. SENATORIAL FORUM
   a. Senator Shirzad:
      1. Brenda Tracy visited football team, was a student at Oregon State. She was sexually assaulted by two football players and another man. She goes around talking about her story, it is very impactful. On November 19th the football time is playing USF and is dedicating that game to the fight against sexual assault, we are the first team to do this. I think this can be extremely impactful if taken advantage of. We need to make this game something we take pride in. I’m trying to work with the team and connect them to organizations on and off campus that have stakes in the fight against sexual assault.
      2. Athletics sometimes has some disconnect between them and the student body. I want to be the intermediate between them right now, however it is going to be a very large product. If anyone is interested or insight please email or text me.
   3. Senator Samuel:
      i. Were you aware that the Women and LGBT Center would be an awesome resource?
      ii. Did you know, I have seen Sigma Lambda Beta’s fraternity members do an event where their members walk around in heels, imagine senate doing an event like that? I think that would have a great impact if male senators did that.
   4. Senator Catlin:
      i. Have you looked into getting this on the SMU Rewards app?
   5. Chair Hermeling:
      i. Did you know that IFC was not required to go to any mandatory sexual assault info sessions?
   6. Chair Silensky:
      i. Have you looked into Teal Out Boulevard?
   7. Senator Klein:
      i. Has there been any talk of purchasing things and the proceeds be donated to the cause?
   8. Vice President Fletcher:
      i. Are you aware that Katie Butler and I talked about partnering with athletics like Not On My Field?
   9. Senator Manley:
      i. Did you know, on October 16th there is a meeting for all student athletes, you could potentially come to the meeting and explain the connection you are trying to make?
