A RESOLUTION REQUESTING NEW CHAIRS IN THE JERRY JUNKINS BUILDING ROOM 113

WHEREAS the current chairs in Junkins 113 are old and squeak which causes a disturbance during class

RECOGNIZING there are classes in that classroom all day long, and these chairs cause a distraction and are an inconvenience to students

ACKNOWLEDGING this is a concern voiced by numerous Lyle students

BE IT THEREFORE RESOLVED that the Student Senate requests that the administrations of Southern Methodist University and the Lyle School of Engineering replace the current chairs in Junkins 113 with new chairs prior to the start of the 2017-2018 school year.

Respectfully Submitted,

Aleena Taufiq
