A RESOLUTION ON SPEAKING EVENT PROMOTION TIMELINE

WHEREAS students and student organizations currently invite speakers to campus but have the ability to promote the speaking event prior to a contract being signed with Southern Methodist University, and

RECOGNIZING that after a contract is signed, Southern Methodist University is able to monitor promotion materials distributed that may incorrectly portray the University’s participation in the event planning, and

ACKNOWLEDGING that this will allow for better accountability and transparency when it comes to events that will be occurring on SMU’s campus,

BE IT THEREFORE RESOLVED that the following be added to the Student Section Bylaws Article V Section 4. Organizations Committee Responsibilities and Requirements of Student Organizations subset 12: “Student Organizations are not permitted to promote the event, activity, or speaker prior to the contract being signed by the adequate University designee.”

Respectfully Submitted,
