

Refuge for Women

LAS VEGAS

Matt and JoAnne

First of all JoAnne and I want to thank you and your staff for all the hard work you do on behalf of exploited women. We are proud to help support your efforts!

When our pastor, Paul Gotthardt, shared with us the financial needs of your organization we both immediately felt a desire to help. My wife JoAnne and I are sickened by the evil that is a pimp; a cruel man who uses every conceivable form of control to abuse and exploit vulnerable women and girls. Just as our Lord, Jesus Christ, has lifted us out of the dark pit of despair, these women needed to know that they could leave that environment and feel safe and secure.

The fact that Refuge for Women not only rescues these women from harm physically and mentally, but also shares the true Redeemer, Jesus Christ, with them who can restore all that was lost and, most importantly give them hope, was a win-win scenario for us. Let's just say that by contributing monthly to Refuge for Women, it has given us a chance to hurt the pimp's bottom line. And, oh what a wonderful feeling that is!
