Grant Opportunities

Grand Victoria Foundation: Vital Lands Illinois

Ensure the permanent protection and long-term stewardship of Illinois' most vital lands and build support for projects and conservation. For more information, visit:
<http://www.grandvictoriafdn.org/grant-programs/guidelines/vital-lands-illinois>

Donnelly Foundation: Chicago Region Land Conservation

Offers funding to landscape-scale land preservation and stewardship. For more information, visit:
<http://gddf.org/land-conservation/chicago>

Clif Bar Family Foundation: Small Grants

Offers general organizational support as well as funding for specific projects addressing Clif's mission. For more information, visit:
<http://clifbarfamilyfoundation.org/Grants-Programs/Small-Grants>

Surdna Foundation: Sustainable Environments

Funds organizations that work to improve transit systems, make buildings more energy efficient, better manage our water systems and rebuild regional food systems. For more information, visit:
<http://www.surdna.org/>

KEEN, Inc.: KEEN Effect Grant Program.

Awards non-profits around the world who preserve the natural environment, where we work and play, as a way towards building stronger communities and a healthier planet. For more information, visit:
http://www.cybergrants.com/pls/cybergrants/ao_login.login?x_gm_id=4494&x_proposal_type_id=32162

Illinois EPA: Illinois Green Infrastructure Grant Program for Stormwater Management

<http://www.epa.illinois.gov/topics/grants-loans/water-financial-assistance/igig/index>

Dr Pepper Snapple: Keep America Beautiful Park Recycling Infrastructure Grant Program

Support the building or expanding of recycling opportunities in park settings. For more information, visit:
<https://irecycleonthego.wordpress.com/>

Project Learning Tree: GreenWorks! Grants

Funds schools and youth organizations that allow students to implement an action project they help design to green their school or to improve an aspect of their neighborhood's environment. For more information, visit: <https://www.plt.org/resources/greenworks-grants/>

School Garden Network: Schoolyard Habitat Program

Helps teachers and students create wildlife habitat at their own schools to be used for classroom field studies and observations. For more information, visit:
<http://schoolgardens.org/schoolyard-habitat-program-2/>

The Kresge Foundation: Climate Resilience and Urban Opportunity

Provides community-based nonprofit organizations through local and regional climate-resilience planning, policy development and implementation to better reflect the priorities and needs of low-income people in U.S. cities. For more information, visit:
<http://kresge.org/programs/environment/climate-resilience-and-urban-opportunity>

Illinois Clean Energy: Planning for Land Acquisition

Provides support to collaborative planning projects that identify important natural areas and wildlife habitat and develop shared priorities among land conservation partners to help protect them. For more information, visit:
www.illinoiscleanenergy.org/natural-areas-program/planning-and-acquisition
