Malcolm McDowell Discusses 'A Clockwork Orange'

Like

[Screen Junkies Interviews Malcolm McDowell](#) - Watch more [Funny Videos](#)

Every once in a while, Malcolm McDowell comes around for an interview about his latest film or TV show, like *Gangster No. 1*, the *Halloween* remakes, or "Heroes." Of course the temptation is always to throw in a *Clockwork Orange* question. Now finally here's a chance to talk about nothing but *A Clockwork Orange*.

For the Stanley Kubrick film's 40th anniversary, *A Clockwork Orange* makes its debut on Blu-ray. McDowell is featured in many bonus features looking back at the film, and he also gave some in person interviews at the Warner Home Video offices to support the release.

I threw in a *Caligula* question to compare the context of another legendarily controversial Malcolm McDowell movie, but really I stuck with *Clockwork Orange*. I could have asked up his upcoming roles in *Silent Hill 3D* or *Vamps* but do you really need news scoops on a video game movie sequel? Better to dig into the legacy of the droogs, copycat violence and to a lesser extent, Roman orgies.

A Clockwork Orange Blu-ray streets May 31 along with a Stanley Kubrick Blu-ray collection and Malcolm McDowell's *Never Apologize* DVD.

 **Christian** 2 days ago

"A Clockwork Orange" will not make its debut on Blu-ray with the "40th Anniversary Edition", it's available since 2007 on Blu-ray.
