

*Put on your boots! Fill up your water bottle! Enterprise Moravian and Mt. Olivet United Methodist Churches are teaming up for their sixth joint Vacation Bible School! **Faith Mountain, an Extreme Adventure with Jesus** will help us develop an extreme faith for extreme times. We will explore Hebrews 11, where we will encounter heroes who pushed their faith to the absolute limit.*

*We need your prayers for the energy and wisdom to share the love of God with our community. Please join us in praying for His guidance and His blessing.*

There are many good times in store for our preschool, kindergarten, elementary, middle school, high school, and adult students! Faith Mountain is an adventure for the entire family.

### **Preschool Students**

Our nursery through kindergarten students are in self-contained classrooms on the second and third floors of the educational building. They will have a special music time in addition to their classroom activities and nightly visits by Charlene Craver and her goat, Nannie!

### **Elementary Students**

First through fifth grade expeditions will play games at Cliffhanger Games, make neat things at Campsite Crafts, sing at Mountaintop Praise, and study the Bible at Summit Challenge.

### **Youth**

The middle and high school groups will have a fun-filled week hanging out with their friends and digging into God's Word. Becky Lewis, Linda Mitchell, Lisa Furches, and Charles and Kathy Craver are leading the Middle School students who will do their own rotation. Jim Knox, David and Melissa Jackson are leading the high school class.

### **Adults**

Our adult classes will study the same Bible heroes as the children and youth and see how faith trusts and obeys (Abraham), endures (Joseph), leads to action (Joshua), listens and responds (Samuel), and triumphs (Jesus). They will be taught in the sanctuary by Linda Mashburn, Dan and Phylis Augsburg, Jim and Brenda Fulton, Vicki Wyatt, and Pastor Karen.

**Registration is under way!** You may register at either church; mail your registration form to Mt. Olivet UMC, 1082 Community Rd, Lexington, NC 27295; or register online at <http://fs4.formsite.com/MOUMC/form3/index.html> Pre-registration isn't mandatory, but it will greatly help us with our planning and help relieve the long registration lines the first night. If you are planning to bring visitors, getting their information in advance would also be a big help to us. Please share this flyer and invite your friends to share the fun!

## What to Expect

All VBS participants are invited for a free meal; we will **begin serving at 5:30**. This lets the earlier arrivals finish their meal and make room for others. When they finish eating, kindergarten through elementary students may go out for a variety of games which will be provided by our Sunday School classes. (Younger children may also play with parental supervision.)

## Parking

The back parking lot will again be blocked to assure the safety of the children as they go to and from the building. Adults who aren't picking up children may wish to park in front of the church for easy access to their vehicles when their class in the sanctuary ends.

## Opening Assembly

Everyone is invited to the Base Camp/picnic shelter at 6:20 for our opening assembly and puppet show.

## Dismissal

Parents will continue to pick up preschoolers from their classrooms. Kindergarten through middle school students will be divided according to the first letter of their last name—or the first letter of the last name of the person who brings them. They will be in the classrooms in the basement; look over the doors for the letters.

## Mission Project

Classes will compete to see who can bring the most money for Stop Hunger Now, an international hunger relief agency that distributes food and other lifesaving aid to children and families in countries all over the world.

Bring a friend and join us **Sunday through Thursday, July 26-30, from 5:30 until 8:30** for a time of fun, fellowship and spiritual growth!

Worshiping God, Loving and Serving Others, Sharing the Good News

VOLUME 32 NO 5

June 2014

*Do not worry about anything, but in everything by prayer and supplication with thanksgiving let your requests be made known to God. And the peace of God, which surpasses all understanding, will guard your hearts and your minds in Christ Jesus. Finally, beloved, whatever is true, whatever is honorable, whatever is just, whatever is pure, whatever is pleasing, whatever is commendable, if there is any excellence and if there is anything worthy of praise, think about these things. Keep on doing the things that you have learned and received and heard and seen in me, and the God of peace will be with you.*

*(Philippians 4:6-9, NRSV)*

It is 81 degrees outside and I realize the absurdity of the fact that I am currently wearing a sweatshirt. Why am I wearing a hoodie in the sweltering heat of a southern July? Well, for starters, I'm cold. I have pondered this all morning – am I sick? (temp is normal and I feel fine.) Am I getting old? (Yes, I am getting old but I'm not quite one of those year-round sweater-wearing ladies that complain when temps drop below 90.) So the only thing I can figure is that my body has not readjusted to North Carolina weather.

My family and I just returned from a week in Las Vegas. I felt silly for going in the middle of summer but everyone assured me, "Don't worry, it is a dry heat." Would you like to know what I discovered? Dry heat is horrible! I can't breath in dry heat. In dry heat even the wind hurts because it is hot...and dry. In dry heat there is really no difference in "shade" temperature and "full sun" – it is ALL hot. I struggled greatly the first few days of temps reaching as high as 113. By the end of the week, however, I was better adjusted. I returned to my pattern of morning walks and enjoyed time taking in the sights of Vegas (although at times I saw more than I bargained for – whew). Now that I have returned home, my body is readjusting to the "cooler" temperatures. Overcast skies and 81 degrees feels downright cold to me at the moment. I am more aware of every breeze and I find the air conditioning a bit much so it is currently turned off.

As I sit here in my sweatshirt, this awareness reminds me of the Christian's need for a God-centered life. Our bodies adjust to the physical environment around us. In much the same way, our soul adjusts to the spiritual environment around us. If we surround ourselves with Godly things then this is the environment to which we get acclimated. In a Godly atmosphere we are more attuned to God's presence; we are more fully aware of the Spirit's nudging; we can see our own sinfulness more clearly. However, when we live in a god-less environment most of the time, then we are less spiritually aware of God's presence. God remains hidden and our sense of sinfulness and separation from God is diminished.

Our bodies adjust to our physical environment – our soul adjusts to our spiritual environment. Perhaps it isn't just the temperature that has me reflecting on this topic as much as just returning from "Sin City," a place in which impulse is rewarded and limits are discouraged. We always have fun with the saying, "What happens in Vegas stays in Vegas." Only it doesn't really. What happens in Vegas, or in the privacy of your home, or in the workplace and public street is all part of the spiritual environment that affects the peace or the discontent of our soul.

Try keeping God an ever-present part of your day, adjust to a Godly environment and see the difference it makes in your life.

Peace be with you,  
Pastor Karen

Our regular offerings in June were \$12,131.00. The offering was down almost \$1,500 from May and down over \$4,500 from April. I hope this is not a trend, or we may have some serious deficits by the end of the year. Our expenses for the month were \$16,330.43 for a loss of (\$4,199.43). A major portion of our expenses and the loss was for the payment toward the new Fellowship Hall flooring which was unfunded in an amount of \$3,789. All other expenses paid

to date for the new floor have been paid by direct contributions. Even without the added flooring expense, we still would have had a deficit for the month of (\$410.43), and this is not good.

For the year ended June 30, 2015, our total offerings were \$85,271.52 and our total expenses were \$85,239.86, for a small surplus of \$31.66.

We praise God for His blessings, and we thank all who have contributed so generously to His church and its many ministries!

## Walking by Faith

*For we walk by faith, not by sight. 2 Corinthians 5:7*  
Walking with God through our daily lives is similar to hiking a well-marked trail. God has promised to guide us and show the way at each important new intersection. When no guidance seems to come, we may begin to feel anxious, wondering if we are still walking in the way of God. [Guidance] may appear in the form of scripture, spiritual songs, words from a friend, or part of a sermon. Even life's circumstances—good or bad—can play a part in revealing signs from God. God is our best possible guide through life.

-Gerald McCann, Upper Room, June 23, 2015

## Praise Him with Song!

Working on particular anthems for children and adults, there's many times that a certain gospel hymn or ballad will stick in my head and it continues to play over and over again. Being a part of church choirs since I was small, there are so many hymns that I have sung and there are so many instances where a passage in the Bible would be used as a lyric in one of those songs. Sometimes those spiritual songs that play unceasingly in my thoughts could be part of God's plan to pay attention to the meaning of the words and to listen more closely to what God is trying to tell me. So, listen to some music that inspires you to praise God.

We are focusing on VBS and the playlist of songs have changed inside my head. One of which is "Thy Word is a Lamp unto My Feet and Light Unto My Path". In faith, I believe it's a message to encourage others to be a part of VBS and hold this July week open in their busy schedules to enjoy God's Son-Shine and Blessings. Please send the kids to the choir room for the next three Sundays to pick up their VBS-CD's.

Thanks goes to the youth: Olivia West, Britt Sink, Olivia Mabe, Brady Everhart, Abby and Ellie Essick who have provided special music during May and June when so many choir folks are out of town on summer vacations.

*The Bible is essential for sowing of the seed. But in so many ways, there's nothing that can prepare the soil of the heart like the hymns and songs of faith.*

Be blessed, *kknox*

## What's Up(stairs)?

Like Vacation Bible School, our July Workshop Rotation Sunday School lessons will be about faith. Our key verse is Hebrews 11:1, "To have faith is to be sure of the things we hope for, to be certain of the things we cannot see." (*GNT*) We will also use the version from *The Living Bible*: "What is faith? It is the confident assurance that something we want is going to happen. It is the certainty that what we hope for is waiting for us, even though we cannot see it up ahead."

Last Sunday we talked about some Bible people we have already studied who had faith. We learned that our faith grows the more we use it.

This month we will also learn that to have faith is to believe in something; to trust that it is so. Some people believe everything they are told. Others require proof for everything. Most people cannot have faith in something unless they know something about it. That is why God has always provided man with lots of proof of His existence and His love - so we can easily believe it and have faith in Him.

We can't see our whole future. Sometimes God just lets us see the next step. When we follow without seeing where we are going, that is called faith.

Through a study of multiple verses on fear and faith, students will learn that they can trust God. God knew that people would be afraid. The word "fear" is mentioned 326 times in the Bible. Over and over again, God says, "Do not be afraid."

"As Christians, we have to recognize that faith is perhaps the single most important aspect of Christianity. Without faith in Jesus Christ...we are are nothing. Faith in God, although it seems easy, will take a lifetime of effort to keep...Don't let your Faith waver when things in life don't go as planned. We should work hard every day to remember that Jesus Christ is our Savior and God is our Father - we should always have faith in

# FAITH

IS CHOOSING TO BELIEVE  
EVEN WHEN CIRCUMSTANCES  
TRY TO CONVINC US NOT TO.

The Heart Circle went on a road trip for their June meeting, visiting the home of C.T. "Buzz" and June Buzzard in Advance. We went with a mission of hearing about their trip to the Holy Land but as GOD planned we received many more blessings that night.

The short drive up there itself was a treat, the one-on-one time with our passengers and finding the dirt road that would lead us to our destination. We were met at the door by Buzz and McGraw (their dog!) and once inside by his lovely wife, June, who graciously welcomed in the crowd. And what a crowd it was, including our husbands this time to join us for the wonderful dinner we had brought with us and the fellowship that was taking place. And what a place their house sits on. From everywhere you looked from the inside out and from the outside deck out was the most beautiful setting of rolling farm land and hills, hummingbird feeders, with many places to sit and enjoy. Who knew all that splendor was so close by us. Elaine blessed our food with her special gift of praise. We all enjoyed the plentiful bounty spread out around their kitchen. The fellowship continued as we took in the food and scenery which included an evening storm that was so wonderful to watch approach us from the hills surrounding us.

We then gathered to listen and see part of their amazing trip and the process of making plans for that trip which were so blessed. We learned that Ms. Otha had traveled to the Holy Land, she was able to also share and remember her special trip. Seeing the pictures of places we have read about so often, listening to their adventure through each unique area, passing around their memorabilia, and witnessing their love our of GOD and for each other was a perfect end to our evening. One memory that will stay with us forever. Many, many thanks to our gracious hosts for the invitation.

Next month we will be assisting the amazing week of VBS with our community. The August 17 meeting will be at the Knox home at 6:30. We would love to see another crowd that evening to help us to plan our next six months of sharing and giving back to our church and community.

One sad note, the t-shirt sales did not reach our goal to cover the minimum order needed, expenses of set up fees, etc. We will be refunding the money to those who ordered.

From our heart to yours, be blessed.

Cheryl Vaughan

## Annual Conference Report

"UNTIL THE WHOLE WORLD HEARS" was the theme for the 2015 Western North Carolina Annual Conference. First of all, I would like to thank you for allowing me to represent you this year. I always enjoy spending time at Lake Junaluska, attending the business sessions, and visiting with old friends and acquaintances.

This year at Conference we had the laborious task of electing 20 delegates and 4 alternate delegates to General and Jurisdictional Conferences, so a great deal of our time was spent voting and discussing these procedures. However, the business sessions were interesting and informative as always. Several changes to the way United Methodist view their responsibilities, understand their members, and spend their monies were discussed and voted on thru the passing or rejection of various resolutions presented to the Conference. These items are too numerous and lengthy to be discussed in this report, I will be happy to discuss any of these items with anyone who has questions as well as furnish the names of the Laity and Clergy elected as delegates.

Again I would like to thank you for electing me as your Lay Delegate, it was truly an honor to serve you.

*Jim Bumgarner, Lay Delegate*

## 2015 Gathering of the Laity Fri, Aug 7- Sat, Aug 8 Lake Junaluska, North Carolina

Go to <http://gatheringofthelaity.org/> to learn about this year's outstanding speakers and musical guests and register for this outstanding event! Early-bird pricing ends July 31, 2015!
