

HONORING THE PAST, ENSURING THE FUTURE

Part of the Graettinger family lore includes stories of Buz' mother Betty, who was an avid Sunfish competitor here at PYC, and his late brother Alan whose name was on many plaques formerly on our walls and whose last sail was aboard Condor. We treasure those stories and the memories that accompany them. Your family may have a similar PYC history.

Our Club has been fortunate through the years to have had many dedicated and generous members who have left a legacy of stewardship of and improvement to our historic facility. Many of those folks were parents, grandparents or siblings of current PYC members. Thanks to the Centennial Fund Committee, we now have a way to remember our predecessors in a tangible way through a tasteful Memorial Wall to be installed on the stage in the club during the 2018 season. The Centennial Fund was approved by the Board and membership two years ago to create a reserve fund whose income will be used for the Club's future preservation needs.

If you have deceased family members who were PYC members, please consider adding their names to the Memorial Wall through a \$100 per name contribution. Checks should be made out to Pentwater Yacht Club with "Centennial Fund Memorial" in the memo line. Please include a note with your loved one's name, date of birth and date of death and send to Pentwater Yacht Club, PO Box 607, Pentwater MI 49449, att: Larry Konopka. Contributions to the Centennial Fund are not tax deductible.

For more information please contact Larry Konopka, Centennial Committee Chair.
