All employees entering the permanent, full-time employ of the JPA shall be paid at the first step of the salary range, unless otherwise determined by the Fire Chief, established for his/her position classification. Salary step increases, as provided herein, are not automatic but are based on performance and merit. Employees shall be placed on the step designated by the Fire Chief for initial full-time permanent employment and qualify for increase in compensation or advancement to the next higher step of his/her salary range in the following manner:

- A. The first step is the minimum rate and normally shall be the hiring rate.

The adjustment shall be made only if granted by the Fire Chief.

Where job classifications require any of the above, Section B and C will not apply.

ARTICLE 7. EDUCATIONAL PAY

- A. All unit employees may qualify for advancement of one salary range above their position classified range upon receipt of an Associated Arts Degree or Associated Science Degree, from an accredited junior college, or upon earning a special license or certificate, deemed to be equivalent to an AA/AS degree and is related to the performance of the employee's duties and/or assignment, upon approval by the Fire Chief. For purposes of completion of certificated courses related to an employee's duties and/or assignment equivalency (including those programs resulting in a special license or certificate) or an aggregate of the same which equals or exceeds 720 instructional hours, will be deemed to be equivalent to an AA degree.
- B. Unit employees who possess licenses or certificates as specified in Section A of this Article, totaling less than 720 hours and more than 300 hours of instruction, shall qualify for an advancement in salary of \$20 per pay period upon approval of the Fire Chief.

- C. All unit employees may qualify for advancement of two salary ranges above their position classified range upon receipt of a Bachelor of Science/Bachelor of Arts Degree in a field relative to their job classification, from an accredited college, upon approval of the Fire Chief.

The JPA agrees not to require the following degrees: A.A., B.S., B.A. for the current positions represented by the IAFF Local 4403, unless agreed upon through the meet and confer process.
- E. The maximum Educational Pay incentive paid to unit employees shall be capped at five percent (5%) over the current classification range.

Upon the hiring of a Fire Department employee, the JPA will provide applicable safety equipment and initial uniforms and ancillary equipment as specified by Fire Department policy. The JPA will provide replacement safety equipment as necessary as determined by the Fire Chief.

- A. The JPA will provide a uniform allowance to members of this unit, in the amount of a lump sum \$1,500 per employee to be paid by July 15¹ per fiscal year. Employees are required to maintain these standards, including maintenance, repair and cleaning. - C. All claims shall be filed in writing, verified by the employee's immediate supervisor, and approved by the Fire Chief. Employees shall not be entitled to reimbursement for loss or damage caused by the employee's negligence, malfeasance, or misfeasance.

ARTICLE 10. HOURS OF WORK AND OVERTIME

- A. Work Shift

A work shift is defined as a work period of twenty-four (24) hours, commencing at 0700 hours and continuing until the next day, ending at 0700 hours (7 a.m. to the following 7 a.m.).

Special assignment may require an employee to work a forty (40) hour-week work schedule on a temporary basis. Should an employee be assigned to this schedule, all leave benefits (vacation, sick, holidays, etc.) shall accrue at the forty (40) hour work week accrual rate and no FLSA is given.

B. Workweek

The normal workweek shall average fifty-six (56) hours of work over the course of a year, except in cases of emergency.

C. Shift Schedule

1. The regular work schedule shall be eight (8) twenty-four (24) hour shifts in a twenty-four (24) day cycle.

X = 24-hour on-duty period
O = 24-hour off-duty period

Schedule: XXOOOXXOOOXXOOOXXOOO

2. In the event the same shift is scheduled to work both Christmas Eve and Christmas day in the same year, the shift scheduled to work December 23 will be exchanged with the shift scheduled to work December 24, unless this impacts the FLSA and overtime cycle. If the FLSA cycle would be impacted by exchanging the shifts scheduled to work December 25 and 26, the shift scheduled to work December 25 will be exchanged with the shift scheduled to work December 26.
3. The Fire Department shall give no less than fifteen (15) days' notice prior to changing a shift assignment for non-emergency reasons.

D. Overtime

Overtime shall be paid at time and one-half of the employee's base salary for all actual hours worked in excess of one hundred eighty-two (182) hours in a twenty-four (24) day cycle and in accordance with the Fair Labor Standards Act (FLSA). Overtime shall be computed to the nearest one quarter (1/4) hour. For those assigned to an eight (8) hour day, overtime shall be paid for hours worked in excess of forty (40) hours per week. For purposes of determining overtime pay, the use of accrued Vacation Time, Compensatory Time Off, Sick Leave, Bereavement and Jury Duty shall be considered as hours worked. Mandatory and reimbursed call backs shall be counted as overtime and be paid at time and one-half of the employee's base salary.

E. Compensatory Time

At the request of any employee eligible for overtime pay, his/her supervisor will provide that, in lieu of cash payment for any overtime, he/she may have the choice of time off with pay at the rate of one and one-half (1 and ½) hours for each hour of overtime worked. The department will have a procedure for granting the time off and filling the position in accordance with FLSA. No employee shall accrue compensatory time off in excess of two hundred and forty-five (245) hours. Any overtime worked over that amount shall be paid as overtime as it is earned. Upon separation from employment, an employee is entitled to receive cash compensation for any unused compensatory time.

F. Modified Duty

An employee who is unable to perform the essential functions of his or her job, with or without reasonable accommodation, due to injury or illness may request to be placed on modified duty. The employee must provide the Fire Chief or his/her designee with a doctor's note describing the restrictions that he/she may have. If a modified duty assignment is available that is within the employee's restrictions, the Fire Chief or his/her designee may approve the request.

A modified-duty work assignment is generally administrative in nature and may require working at a desk typing, driving and walking depending on an employee's medical restrictions. The schedule is typically forty (40) hours a week.

Once on a forty (40) hour week schedule, all leave balance and accruals (Holiday, Vacation, Sick Leave, etc.) are changed to reflect a forty (40) hour workweek. To convert paid leave time accruals and balance from a fifty-six (56) hour workweek to a forty (40) hour workweek, rates will be divided by a factor of 1.4. Any leave taken during the modified duty assignment is taken at the forty (40) hour workweek accrual rate and no FLSA is given.

Modified duty assignments will commence on the first day of a pay-period. When the employee's treating doctor provides a written release to return the employee back to full duty and it has been approved by the Fire Chief or his/her designee, the employee will return to their appropriate shift on their next scheduled workday, providing the return date does not trigger overtime in excess of regular FLSA overtime. If excess overtime would be triggered, the employee will return to work on earliest date that will not trigger excess overtime, unless emergency circumstances occur. To convert paid leave time accruals and balances from a forty (40) hour workweek back to a fifty-six (56) hour workweek, rates will be multiplied by a factor of 1.4.

ARTICLE 11. SHIFT EXCHANGES

An employee may exchange all or any portion of a work shift in a manner consistent with the FLSA and Department policy, provided the replacement is a qualified employee. The JPA is not responsible for shift exchange arrangements made between employees and is not responsible for any record keeping. Outstanding shift exchange paybacks are the responsibility of the individuals involved. According to the FLSA, shift exchanges are not considered "hours worked" and, therefore, do not have to be paid back in the twenty-four-day cycle. An employee who owes exchange time to another employee shall work for the other employee, and cannot pay it back in vacation time or other paid leave time.

ARTICLE 12. MINIMUM STAFFING

Twenty-four (24) hour minimum staffing each day shall consist of three (3) Full-Time Fire Department Captains, two (2) Full-Time Fire Department Engineers and two (2) Full-Time Firefighters. In cases of emergency, a Chief Officer may also elect to add additional staffing, as he/she may deem necessary to mitigate life-threatening situations. If regularly scheduled employees are not available for such staffing, any full-time employee, regardless of rank, may work the duty shift. The vacancy affected rank will be filled with the same rank first, before opening to other classifications. In the event an employee is called into work to start their regularly scheduled shift early, they will receive two hours of pay at the overtime rate. All hours worked in excess of two hours will be at the employee's base rate unless the employee otherwise qualifies for overtime in accordance with this Agreement.

ARTICLE 13. CALLBACK PAY

Callback is defined as, "the circumstances that requires an employee to unexpectedly return to work after the employee has left work at the end of the employee's work day or work week." An employee called back to work will receive a minimum two (2) hours overtime pay. An employee called back for overtime pay shall not be required to fulfill the hourly obligation to receive callback pay. Overtime pay shall commence from the time the employee signs in at the Fire station.

ARTICLE 14. SENIORITY

"Seniority" for the purposes of this Article shall be defined as the length of service as a permanent full-time employee with the JPA and the employee's previous full-time service at either the Arroyo Grande, Grover Beach, or Oceano Fire Departments. For employees with the same full-time start date at their original member agency, seniority will be determined by employee ranking upon hire. When determining seniority for permanent full-time positions within a classification subject to layoff, only permanent full-time service shall be considered.

ARTICLE 15. VACATION LEAVE

- A. The purpose of annual vacation leave is to enable each eligible employee to annually return to his/her work mentally and physically refreshed.
- B. Each eligible employee shall be required to have served the equivalent of one (1) year of continuous service with the JPA in order to be eligible for his/her full annual vacation leave. However, in the event an employee so chooses, he/she may, after six (6) continuous months of service, take vacation leave not to exceed fifty-six (56) working hours with his/her Supervisor's approval.
- C. Employees who terminate employment shall be paid a lump sum of his/her outstanding vacation and compensatory time accruals on the regular payday for the pay period containing their last day of work.
- D. Vacation leave with pay shall be earned in accordance with the following schedule:

AFTER: YEARS	= HOURS PER MONTH
01	9.34
02	11.20
03	12.14
04	13.08
05	14.00
06	14.00
07	14.94
08	14.94
09	15.88
10	15.88
11	16.80
12	16.80
13	17.74
14	17.74
15	18.68

- E. Vacation hour accrual rate will be based on length of full-time service calculated from the employee's start date at their original member agency.
- F. If for any reason an employee becomes ill during a vacation, the affected employee shall be entitled to utilize such available sick leave in lieu of vacation leave.
- G. Vacation leave may be taken as it accrues. Vacation shall be scheduled at the discretion and convenience of each individual employee, with the consent of the Supervisor, within the limitation necessitated by legitimate operational needs of the JPA.

- H. In the event the scheduling preferences of two (2) or more employees conflict, the preferences of the more senior employee in order of seniority shall govern barring any unusual circumstances.
- I. Employees may accrue vacation leave up to a maximum of 315 hours. In the event an employee's accrued vacation leave exceeds the maximum allowable on January 1, the employee shall be paid at his/her January 1 hourly wage rate for those hours accrued in excess of the maximum allowable. Upon request of an employee, an exception to the accrual limit may be made upon approval by the Fire Chief.

ARTICLE 16. HOLIDAY LEAVE

- A. The following holidays are the designated holidays for full-time Fire Department employees. In lieu of the designated holidays, employees will be provided 6.53 hours of straight-time pay semi-monthly.

ARTICLE 17. SICK LEAVE

- A. All full-time, permanent employees shall accrue 11.2 hours of sick leave with pay for each month of service. The maximum accumulation of earned sick leave shall be 1,680 hours. An employee will not accumulate any additional sick leave until such time as his/her accumulated balance falls below 1,680 hours. Upon retirement an employee may choose to be paid 50% of his/her unused sick leave,

to a maximum of 480 hours at his/her current rate of pay. Upon retirement, unused accumulated sick leave may be converted to PERS retirement credit per the JPA's contract with PERS. At the end of each calendar year, each employee has the option of being paid straight time for 25% of his/her unused sick leave of that year, transferring it to vacation, or leaving it in sick leave.

- B. Employees may transfer sick leave on a voluntary basis to a fellow JPA employee who has exhausted all his/her sick leave and vacation leave due to an extended illness or injury. The transfer shall be based on each employee's hourly rate of pay and shall not exceed twenty-four (24) hours of sick leave (per injury or illness) based on the hourly rate of pay of the receiving employee. The transfer shall be requested on a form provided by the JPA, be completed by both employees who mutually request such transfer, and submitted for approval to the Fire Chief for final approval. The receiving employee shall not be obligated to repay any transferred leave to the contributing employee, and contributing employee understands that such transfer shall be deemed as if used and will be subject to all other provisions applicable.
- C. Employee, while out on disability, may utilize sick leave hours to complement their disability allotment so as to receive 100% of their pay. This utilization will be a percentage of pay not covered by disability.

ARTICLE 18. NOTIFICATION OF MAXIMUM ACCRUAL

Employees shall be notified a pay period prior to any pay-outs from maximum accrual of compensatory time, vacation, and sick leave.

ARTICLE 19. BEREAVEMENT LEAVE

Unit employees shall be granted leave by the Fire Chief whenever the affected employee has experienced a death in the immediate family, defined as the spouse, the employee's or employee's spouse's father, mother, brother or sister, child or stepchild, grandparents, grandchildren, son-in-law, daughter-in-law, "step" relatives as described above, aunt or uncle, or any other person residing in the same household where attendance to the funeral is necessary.

Such absence by the employee shall be limited to up to three (3) working shifts per occurrence of paid leave as approved by the Fire Chief. Such leave is not chargeable against sick or vacation leave. As a condition of granting leave for bereavement purposes, the employee must submit an approved declaration or other evidence such as a death certificate or obituary, acceptable to the Fire Chief justifying such absence.

ARTICLE 20. FAMILY LEAVE

Pursuant to the State and Federal Leave Acts, the following is provided for all employees who have been employed a minimum of twelve (12) months and have worked at least 1,250 hours during the 12-month period preceding leave:

- A. Up to twelve (12) weeks unpaid leave in a twelve (12) month period. Intermittent leave is allowed.

ARTICLE 21. MILITARY LEAVE

Employees taking military leave with the National Guard or Reserves shall be entitled to full JPA pay and benefits as required by State statute.

All military leave in excess of thirty (30) calendar days per year, if granted by the JPA, shall be without JPA pay or JPA-paid benefits and shall be for a period not to exceed state and federal law. The employee may elect to retain his/her JPA health insurance for up to twenty-four months, by paying the required premiums. Reemployment rights are governed under the Uniformed Services Employment and Reemployment Rights Act ("USERRA").

ARTICLE 22. MEDICAL LEAVE

Medical leave without pay may be granted for the purpose of recovery from prolonged illness or injury or to restore health, or for pregnancy upon employee's written request to

the Fire Chief, subject to submission of medical certification. During the approved leave period, the JPA will not pay employee benefits; however, the employee may elect to maintain JPA medical insurance coverage for employee and dependents at employee's sole cost if such coverage of all individuals is in effect at the time of leave.

The JPA's contribution toward coverage under PEMHCA shall be the minimum contribution amount established by California statutory law.

Employees participating in the JPA's full flex cafeteria plan shall receive a flex dollar allowance to purchase group health, dental and vision coverage under the JPA's Cafeteria Plan. The monthly flex allowance will be the following:

- For December 2020, the following flex dollar allowance for health coverage will be provided:
 - For employee only: \$ 797.22
 - For employee + 1 dependent \$ 1,508.58
 - For employee + 2 or more dependents \$ 1,944.60

For December 2021, the JPA will increase the flex dollar allowance by an amount equal to one-half of the premium increase for the lowest cost HMO plan offered by CalPERS, up to a maximum of 5% of the premium increase. Any increase in premiums above this amount will be the full responsibility of the employee.

Employees who waive medical coverage under the cafeteria plan must show proof of alternative group health coverage that is compliant with the Affordable Care Act ("ACA") in order to receive flexible benefit dollars or cash in lieu of enrolling in the JPA's health plan. Employees who properly waive coverage will receive an amount equal to the current employee only contribution. The flexible benefit dollars taken as cash may not be used to reimburse an employee for any premium expenses an employee may incur for an individual health insurance policy, including a policy purchased through Covered California.

In the event there are any legislative amendments or revisions to the ACA or based upon federal or state decisional case law that amends, annuls or gives further guidance that would affect the cafeteria plan as enumerated in this Article, the parties may re-open this section for further negotiations to determine the obligations of the parties consistent with legislation or case law.

ARTICLE 25. MEDICAL INSURANCE

- A. The base medical plan shall be defined as the Health Maintenance Organization (HMO) program available to the JPA. If availability of an HMO to the JPA is discontinued by the medical plan provider, the base plan will become the basic PPO plan available to the JPA by the existing medical plan provider.
- B. The JPA will maintain health benefits through CalPERS till the end of the term of this Agreement.

ARTICLE 26. DENTAL INSURANCE

The JPA shall provide for all employees in classifications represented in this Memorandum of Understanding a dental plan of the JPA's choice. The JPA shall pay up to the full family premium. The JPA may select an alternate dental insurance plan provider during the term of this M.O.U. providing that:

- A. Any new plan maintains equivalent benefits to the employees; and
- B. At least twenty-one (21) days advanced notice of plan changes are provided to Local 4403.

ARTICLE 27. VISION INSURANCE

The JPA shall provide a Vision Care Plan for bargaining unit members. The JPA shall contribute the full family premium. The JPA may select an alternate vision care provider during the term of the M.O.U. providing that:

- A. Any new plan maintains equivalent benefits to the employees; and

ARTICLE 46. LAYOFFS AND DISPLACEMENT

The JPA shall determine when lay-offs are to occur. The Fire Chief shall be responsible for the implementation of a lay-off order of the JPA in accordance with the procedures outlined below:

2. For regular full-time employees within the Union, lay-offs shall be governed by seniority and job performance. Seniority is defined by Article 14.

A regular employee being laid-off shall be the employee with the least seniority and who is in the lowest job performance category defined by their two most recent performance evaluations. Employees in Category 1 with the lowest seniority will be laid-off first, followed by employees in Category 2, then Category 3, and finally Category 4. Should two employees with the same seniority date have the same scoring on their two most recent performance evaluations, then the third most recent evaluation overall rating shall be used.

Job performance categories shall be defined as follows.

Recall lists shall be used for filling those classes requiring substantially the same minimum qualifications, duties and responsibilities of the class from which the lay-off was made.

C. Appointment of Laid-Off Employees to Vacant Class

The Fire Chief, in agreement with the employee, may appoint an employee who is to be laid-off to a vacancy in a class for which he or she is qualified. He/she will still remain on the recall list for the job from which he/she was laid-off.

D. Employee Reassignments (bump back procedure)

1. Employees who have been promoted during their service with the JPA and previous departments may bump back in their career series to a position they formerly held, if there is an employee in the lower classification with less seniority than the employee who wants to bump back. The intent is to have the last person hired be the first person to be laid-off.
2. Reassignment rights may be exercised only once in connection with any one lay-off, and shall be exercised within twenty (20) calendar days from the date of the notice of the lay-off, by written notice from the employee.
3. The bumping right shall be considered exercised by the displacement of another employee with lesser total seniority or by the acceptance of a vacant position in the class with the same or lower salary.
4. Employees who bump back will be placed on the salary range for the position they bumped back to at the step closest to their salary in the position they vacated.
5. Employees who are reassigned (bump back) are to be placed on a recall list for the position they have vacated.
6. Employees on lay-off shall be recalled in the inverse order of lay-off, provided no intervening factors have occurred which essentially change the ability of the employee to perform the offered employment.

 - (2) Accrue vacation leave at the same rate at which it was

- accrued at the time of the lay-off.
- (3) Have any unused sick leave reinstated.
 - (4) The same retirement formula prior to lay-off, assuming that the employee has not withdrawn his/her PERS funds. If an employee has withdrawn funds, he/she will be reinstated to the retirement formula which is currently in effect for all newly hired employees unless the employee notifies PERS prior to being reinstated that he/she wishes to redeposit the withdrawn funds and PERS allows the employee to be reinstated at the previous retirement formula.
- 2. An individual recalled into the job from which he/she was laid-off shall be assigned to the same salary range and step he/she held at the time of the lay-off. An individual recalled into a job classification other than the classification from which he/she was laid-off shall be assigned to the salary range of the new classification at the amount closest to the salary he/she earned at the time of the lay-off.
 - 3. If an employee bumps back to a lower job classification in lieu of a lay-off, he/she will not be considered laid-off. He/she will, however, be placed on a recall list for the higher job classification held prior to bumping back.
 - 4. A probationary employee who is recalled shall be responsible for completing his/her probationary time commitment.
 - 5. An individual who is recalled shall complete, upon return to the job, the same work time he/she would have had to work at the time of the lay-off to attain a higher vacation leave accrual rate or to become eligible for a salary step increase.

No adverse comment may be entered into a personnel file without the employee having first read and signed the instrument. If, after reading the instrument the employee refuses to sign it, that fact shall be noted on that document, and signed or initialed by the employee. He/she then has thirty (30) calendar days to prepare a written response to any adverse comment entered into his/her file. The written response shall be attached to, and shall accompany, the adverse comment.

If an employee believes there is material in his/her file that is mistaken or unlawful, he/she may submit a request to correct or delete the disputed material. The agency then has thirty (30) calendar days to respond to the request.

ARTICLE 49. POSITION VACANCIES
