

Lux Labs _ Projector Placement Examples

A man with a beard, wearing a dark shirt, is sitting at a desk in a laboratory or office setting, working on a laptop. The room has large glass windows. On the glass, the Lux Labs logo is visible, featuring the word "LUX" on the left, a stylized sunburst icon in the center, and the word "LABS" on the right. Below the logo, the text "ADVANCED OPTICAL MATERIALS" is printed. The scene is dimly lit, with light coming from the windows and the laptop screen.

LUX LABS

ADVANCED OPTICAL MATERIALS

General Placement Guidelines

Short Throw Projectors

Can be placed right behind screen or window with film

Can hide projector by placing just below table level

Regular Throw Projectors

Placed on short stand on floor angled up
