

Meru Women's Garden Project

Over the next **3 years (2016 - 2019)** Soroptimists International Great Britain and Ireland will be raising vital funds to support the women of Meru. The project is a **collaboration between SIGBI, the women of Meru and Child.org.**

What does it aim to achieve?

**STRENGTHENING ENTIRE
COMMUNITIES**

**IMPROVING THE LIVES
AND OPPORTUNITIES
FOR CHILDREN**

**PROVIDING ECONOMIC
OPPORTUNITIES TO
WOMEN AND GIRLS**

We'll create **sustainable gardening techniques** and **tools that enable women** to become mentors and pioneers of **agricultural sustainability within the community**. We'll also educate girls on their rights, empowering them to stand up to damaging cultural practices like FGM.
