

**GOLDEN EYE**

Lancôme's new golden palette has already achieved cult status backstage at Paris Fashion Week thanks to Tom Pecheux. For Anthony Vaccarello's S/S16 show the make-up maestro created the most classically beautiful smoky eye using all three gold shades on models' lids, with a smoky lash line (left). "Sophisticated, polished but in a natural way. Subtle luxury," was Tom's take on the look.

**It's Magic**

Charlotte Tilbury's done it again with her Magic Foundation, this time created to give maximum coverage to mask all manner of imperfections, from redness and breakouts to uneven pigmentation. Take a look at the brilliant "before and afters" on her Instagram @ctilburymakeup, where she covers birthmarks, under-eye circles and even sallowness on an older skin. Is it any wonder so many celebrities call her their make-up maven?

**BEAUTY**

**BEAUTY INSIDER**

*Some beauty buys are so good they achieve well-deserved cult status. Here, HELLO!'s beauty editor reveals her favourites*

**DRY TIME**

Anything that shaves precious minutes off my morning beauty routine without compromising my finished look automatically wins me over. BaByliss has a well-earned reputation for creating high street hair gadgets that come as close as possible to the quality and power of professional tools – but at a fraction of the cost. The new 3Q hairdryer is no exception and it not only dries hair fast, I find that it helps fight the frizz, too. One to put on your Christmas wish list.

**BaByliss 3Q Dryer**, £119.99, from Boots, or visit [babyliss.co.uk](http://babyliss.co.uk).

**Brow wow wow**

Take your time to master the new **Wunderbrow 1-Step Brow Gel**, £19.95, from Boots. Available in four shades, the secret is to apply it in fine, small strokes. Once you have cracked it, you will have perfect, natural-looking brows that stay in place for up to three days.

**SLEEPING BEAUTY**

The best night creams go on rich and soothing, then sink in as you sleep, leaving skin plumper. My favourite high street buy is **Olay Regenerist 3 Point Night Cream**, £19.99, from Boots. To make the most of it, apply with the help of A-list facialist Anastasia Achilleos's Anti-Ageing Face Massage video. Find it at [hello.com](http://hello.com) by typing Anastasia into the search engine.
