

Moroccanoil Treatment Original, £31.85, from lookfantastic.com. "Because my hair is coloured so much for the roles I play, I use a lot of oils"

My Burberry Black, £92, visit uk.burberry.com. "To me, fragrance has an emotional resonance; it can inspire memories in a second. The campaign for this is as sexy as the scent. I adore Christopher Bailey and the essential Britishness of Burberry; we just seem like a good fit"

MAC In Extreme Dimension Waterproof Mascara in Black, £19, visit maccosmetics.co.uk. "To be honest, I hoard mascaras; this waterproof one is nice"

Burberry Fresh Glow BB Cream, £30. "Something to add just a little colour and coverage. I blend it with my fingers"

Burberry Lip & Cheek Bloom in Orange Blossom, £24. "I don't like to wear much make-up; I prefer a healthy glow. This gives a blush to cheeks and lips that is modern, glowy and fresh"

BEAUTY

Lily James... #BAGSPILL

WHICH HAIR HEROES AND MAKE-UP MARVELS GET TOP BILLING FROM THE 'CINDERELLA' AND 'DOWNTON ABBEY' STAR?

From period drama *Downton* to the BBC's lavish *War and Peace* adaptation and Disney's box office hit *Cinderella*, Lily James has conquered screens both big and small, and recently wowed the West End in *Romeo and Juliet*. We asked the 27-year-old actress and new face of My Burberry fragrance to reveal the products that make it into her off-set hair and make-up kit.

Tangle Teezer Compact Styler in Gold Rush, £12.25, visit tangleteezer.com. "With my hair, I like an undone look, so I use this brush then leave it to dry naturally to encourage movement – especially now it is growing out from my bob"

Burt's Bees Beeswax Lip Balm Tin, £4.99, visit burtsbees.co.uk. "Together with pens and foreign coins, I always have this at the bottom of my bag"

Burberry Face Contour Pen in Medium, £25. "I use this to draw in my cheekbones and add a little colour to shade my eyes. You can put it on with your fingers and it's super-lightweight"

Elemis Hydra-Nourish Night Cream, £43, visit elemis.com. "I take good care of my skin and always wear an SPF and moisturise. When I'm in Los Angeles I go to Kate Somerville's salon for a facial; she really knows how to get my skin back in shape after flying or filming"
