One person who really knows that it's what's on the inside that counts is interior designer Kelly Hoppen. For her latest project she's teamed up with L'Occitane and the result is three elegant travel beauty pouches, each containing a selection of products from L'Occitane's Almond, Verbena or Peony ranges. To celebrate, we persuaded Kelly to give us exclusive access to her beauty kit and reveal her must-haves for face and body
