Ward 6 Schools to Participate in a “Good Trouble Walk” - A Walk to School Day Tribute to John Lewis

Put on a Mask and Walk With Us to Lincoln Park and Celebrate the Life of Councilmember John Lewis

Washington, DC – On Wednesday, October 7, 2020, at 7:30 am, students from Ward 6 schools will gather at Lincoln Park (13th & East Capitol Streets, SE) for physically distanced-friendly activities, voter registration, an in-person and virtual public art project and a pledge to engage in “Good Trouble” in honor of beloved civil rights activist, Congressman John Lewis.

Participants can join in person or virtually by tagging #GoodTroubleWalk on Instagram and Twitter.

Enjoy activities for kids, voter information for adults, and an opportunity to SAFELY SEE each other in person. Walkers, cyclists, skaters, strollers, scooters and pedestrians are all welcome.

Walkers will participate in a “Good Trouble” walk around Lincoln Park between 8:00 and 8:10 am so we all get (back) to (home) school in time for Wednesday work!
The physically distanced-friendly Lincoln Park Walk-to-School event will feature:

- The League of Women Voters of the District of Columbia (LWVDC) will register voters, update voter registrations and distribute election information
- Distanced games of “Simon Says”, “Red Light, Green Light”, and a “Voter Plan” scavenger hunt
- A (virtual) **pledge** to engage in “Good Trouble” this year
- Everyone will join in a “Good Trouble Walk” around the perimeter of Lincoln Park (8:00am)
- An in person and virtual art project by tagging photos #GoodTroubleWalk @W6PSPO and @LWVDC on Twitter and Instagram
- The Metropolitan Police Department (MPD) will support safe traffic flow around the park
- The Capitol Hill Community Foundation generously supports the event

Ward 6 joins schools across DC in celebrating Walk-to-School Day - [here's a list](#) of registered schools.

### About Walk-to-School Day

Walk-to-School Day is celebrated across the country – and the world – each October. **Walk-to-School Day inspires the entire community to come together and promote health and safer routes for students to walk to school.**
