

PRESENTS

BARRATT TORCH RELAY

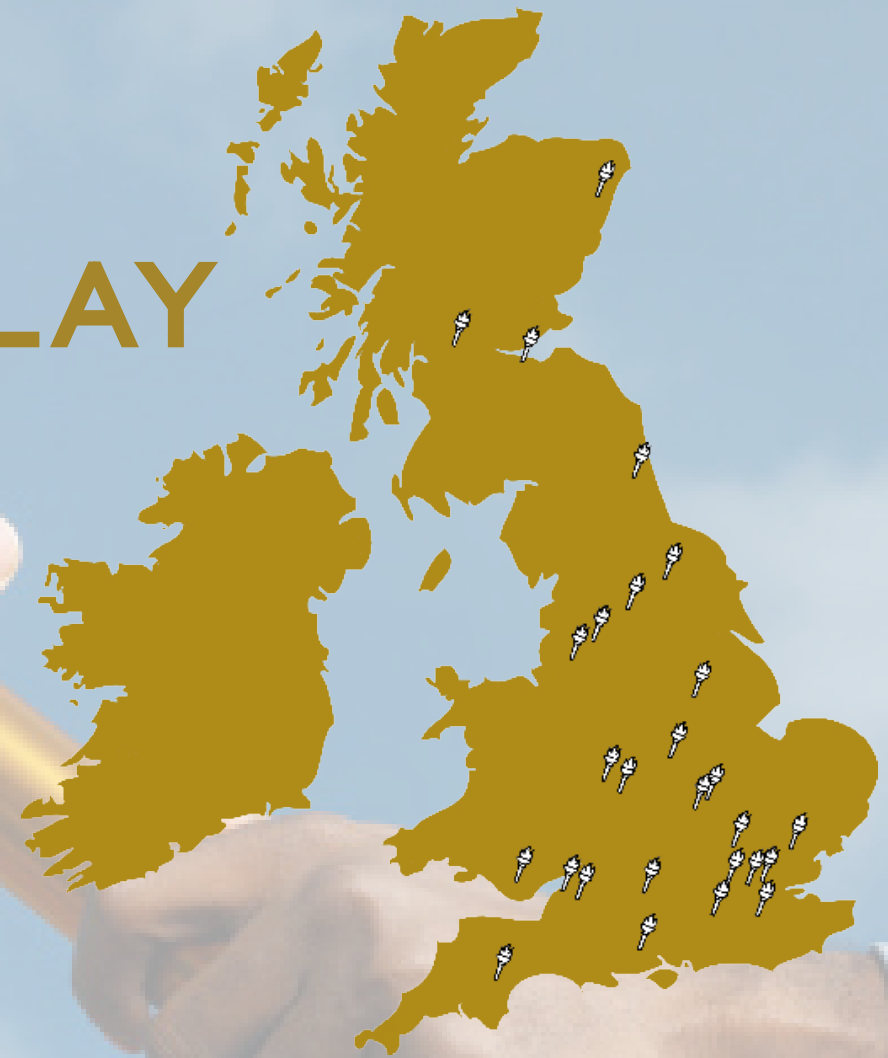

18 - 22 JULY

£10 entry
Free pedometer
COMPETITIONS & PRIZES

In honour of the forthcoming Olympics, Golden Bricks will be hosting the first ever Barratt Torch Relay for all employees! The simulated relay will carry the torch **3,410,600 steps**, **1705 miles** between all of our 27 divisions (with the potential to go further!) by recording employee steps on a pedometer or mobile fitness app for the week. Individual and divisional prizes will be awarded to the most sponsorship raised, steps achieved, and most accurate guesstimates of our running total.

There will be hints, tips and competitions for the 'Get Active' week, and a finale day with themed activities and dress up/down days.

Pledge your steps, challenge yourself, have fun and raise money for a fantastic charity! The more employees we have stepping up to the challenge, the further the torch will travel!
