

**The Fellowship and Hospitality Ministry  
Is Excited to Announce**

What is the Best way  
to grow in relationship and connect with your church family?

The answer is .....

Gathering Around the Table and Sharing a Meal Together.  
The BEST conversations are held around the table!

Rotating Groups of 8-10 people of varied adult age  
gather January through April to share a meal.  
There will be an "End of the Year Party" for all participants in May.

### **What is Forks & FELLOWSHIP?**

This is a fun opportunity to get varied age groups of adults, married or single together gathered at the table.

You will sign up to host one monthly gathering and you will be the guest on the other months.

There will be 8-10 people in each group. You would provide the main course at the gathering you host and direct your guests as to what to bring.

When you are the guest, you provide something for the meal with direction from the Host.

The same groups are not together each month. You will meet new people every month!

Names and contact information for the people in each month's dinner group will be sent to all participants.

You may also ask additional people if you wish; this is a great opportunity to meet and welcome new church members.

### **What Type of Gathering Do You Plan?**

You may choose to host your Gathering as casual or traditional as you wish. Some like pulling out all the china and crystal while others prefer Chinette. Some might choose to have a cookout or order takeout.

It doesn't matter what type of gathering you plan; it's all about growing in relationship with your church family - Forks & Fellowship- mixing with new and old friends.
