

**The Fellowship and Hospitality Ministry  
Is Excited to Announce**

What is the Best way  
to grow in relationship and connect with your church family?

The answer is .....  
Gathering Around the Table and Sharing a Meal Together.  
The BEST conversations are held around the table!

Rotating Groups of 8-10 people of varied age  
gather September through December to share Sunday Lunch.

**What is Forks & FELLOWSHIP?**

This is a fun opportunity to get varied age groups together gathered at the table. You will sign up to host one monthly gathering, and you will be the guest on the other months.

There will be 8-10 people in each group. You would provide the main course at the gathering you host and direct your guests as to what to bring.

When you are the guest, you provide something for the meal with direction from the host.

The groups rotate each month though you might cross paths again depending on the participation.

Names and contact information for the people in the lunch group will be sent to all participants.

You may also ask additional people if you wish; this is a great opportunity to meet and welcome new church members.
