Peet was desperate for help. He felt unsafe and did not know where he was going to get his next meal. Thankfully, your gift to YWAM was there when Peet needed it the most!

Peet discovered YWAM while walking the streets of San Francisco. He learned of the many services available from a pop-up church every Sunday to helping unhoused neighbors find solitude through prayer. But Peet was particularly excited to learn that YWAM could help him recover his identity, after a thief stole it from him.

Thanks to your support the YWAM staff was able to help Peet make all the arrangements to recover his identity, including transport to and from his many appointments.

A Broken-Down Van!

Taking unhoused neighbors to their appointments is becoming unpredictable every day!

The van is used to transport our unhoused to their doctors’ appointments, get identification papers, or help them secure permanent housing. But the van is always breaking down.

Will you make a gift to help?

Your gift will be used to better serve our unhoused neighbors, and be used for essentials like having the van fixed.

Please make your gift today!

A Broken-Down Van...

Taking unhoused neighbors to their appointments is becoming unpredictable every day!

The pandemic has placed a financial strain on the budget this year. Many things around the YWAM offices are being fixed temporarily as we focus our funds on caring for the unhoused. The YWAM van is one of them.

Your gift provided support, courage, dignity, and faith in humanity.

Last year was an unprecedented year for so many. But for Amber and her autistic son that meant they had nowhere safe to sleep, a lack of nutritious food, no daily showers, and no child care.

Amber knocked on our door hoping for a change. A period of personal difficulty had hit Amber hard and while, she simply didn’t provide enough income to afford a safe place to live.

Keeping her faith strong and praying every day for a miracle, she found something truly special. Because you gave to YWAM so generously, Amber and her son were able to find stable housing thanks to the supportive YWAM team. Your gift also provided warm food, showers, clean clothing, and resources to help her find stability.

We’re thrilled to tell you that thanks to you, Amber and her son are now doing well.

Amber and her son are so grateful for you that they’re now wanting to give back to YWAM and volunteer whenever they can and help families in need…just like you did!
