WORLD UNDERSTANDING MONTH

The month of February is very special in the Rotary calendar since it is designated World Understanding Month. The month also includes the anniversary of the first meeting of Rotary held on February 23, 1905, now designated World Understanding and Peace Day.

In designating World Understanding Month, the Rotary International board asks all Rotary clubs to plan programs for their weekly meeting and undertake special activities to emphasize "understanding and goodwill as essential for world peace."

To observe this designated month, many clubs arrange international speakers, invite youth exchange students and international scholars from schools and universities to club meetings, plan programs featuring former Group Study Exchange team members, arrange discussions on international issues, present entertainment with an international cultural or artistic theme and schedule other programs with an international emphasis.

Many clubs take the opportunity to launch an international community service activity or make contact with a Rotary club in another country. It is a good month to initiate a Rotary Fellowship Exchange, a 3-H project to encourage support for PolioPlus and other Rotary Foundation programs.

World Understanding Month is a chance for every club to pause, plan and promote the Fourth Avenue of Service-Rotary's continued quest for goodwill, peace and understanding among people of the world.
