

MARCH 24, 2021
Service Above Self
 Theme: Water & Sanitation

TODAY'S SPEAKER
 George Patton "Pat" Waters

Pat Waters moved to Mt. Pleasant in 1994 and has been active in many community activities including serving as a board member, now retired, on the Congressional Medal of Honor Foundation. He also served on the Charleston County Aviation Authority Board, was past president of the Roper Mt. Pleasant Hospital Board and as a Commissioner on the Patriots Point Development Board. Pat certainly exudes "service above self" so it isn't surprising that he is also the Past President of the East Cooper Rotary Breakfast Club.

One other very interesting fact about Pat is that he is the grandson of General George S. Patton and the son of another war hero with an amazing story, General John K. Waters. It is our honor to host Pat Waters at our Rotary meeting this week.

INTERACT

Interact, the Rotary youth program, was launched by the RI Board of Directors in 1962. The first Interact club was established by the Rotary Club of Melbourne, Florida. Interact clubs provide opportunities for boys and girls of secondary school age to work together in a world fellowship of service and international understanding. The term, Interact, is derived from "inter" for international, and "act" for action. Every Interact club must be sponsored and supervised by a Rotary club and must plan annual projects of service to its school, community and in the world.

Today there are over 7,200 Interact clubs with more than 155,000 members in 88 countries. "Interactors" develop skills in leadership and attain practical experience in conducting service projects, thereby learning the satisfaction that comes from serving others. A major goal of Interact is to provide opportunities for young people to create greater understanding and goodwill with youth throughout the world.
