Fresh All Natural Shenandoah Raised Turkey

Our turkeys are more broad-breasted, resulting in more white meat. They are shipped to us fresh (on ice) – never frozen. Recommended portion size 1 to 1 ½ lb raw weight per person.

- 1. Traditional:** all natural turkey ready to dress at home.
- 2. Seasoned:** a special blend of 'Aromatic Seasonings' rubbed on our traditional turkey that has been washed & dried ... ready to dress at home.
- 3. Oven-Ready:** washed, dried & rubbed with our signature blend of fresh herbs & butter, seasoned, and trussed. We also include a mirepoix of fresh vegetables for the inside cavity.
