TBVE FILMS is a Los Angeles-based production company specializing in documentary films and documentary-style branded content. Producer/Directors Tom Putnam and Brenna Sanchez's most recent feature, *BURN*, was sponsored in part by General Motors and is one of the highest-grossing self-distributed films in history with a domestic box office of over \$1.2 million. *BURN* was the #1 documentary and independent film on iTunes for its digital release. *BURN* received the Audience Award at the Tribeca Film Festival, was nominated for a Gotham Award, and has a 100% positive rating on Rotten Tomatoes. Brenna and Tom are currently in production on a documentary about rap group Insane Clown Posse's landmark First Amendment lawsuit against the FBI.
