

Base Subsidy Program Application

Base awards subsidized studio time to a limited number of artists on a rotating basis. Selected artists can rent the space at a subsidized rate of \$8/hour for rehearsals, research and creative time. Understanding that most artists can benefit from low rental rates, Base aims to share this opportunity with a broad cross section of artists over time. Priority is given to dance, theater and multidisciplinary artists working in contemporary and experimental forms.

To apply for the Base Subsidy Program, please complete this application form and email it to info@thisisbase.org by 11:59pm, September 15, 2017. Electronic submissions only, please.
